You may be eligible to win part of \$250 prize money if your recipe is one of the top three chosen by our special panel of judges. We'll also print the best of the other recipes you submit to us.

- Rules include:
- Write plainly or type double-spaced on one side of the paper only
  - Print your name, address and telephone number on each recipe
  - Give complete cooking or baking instructions, including type of cooking utensils, oven temperatures and times
  - Use all imperial measures
  - There is no limit on the number of recipes you can submit, but to avoid duplication you may want to submit more than one recipe. Organizations may also submit recipes
