

Getting an extra hand

While it looks like this Holy Cross volleyball player has sprouted a third arm to improve his game the young spiker was actually receiving help from an obscured teammate at

the school tournament last Saturday in Georgetown. Holy Cross won the girls' title while the boys (pictured here) lost out to Sherratt. (Herald photo)

Holy Cross spikes to tourney title

By GREG SOCHA Herald Special

The Holy Cross Volleyball Tournament on Saturday, Nov. 19 was a great success.

The following were the schools invited to the girls' tourney: Centennial, Sherratt, St. Francis, Stewarttown, St. Matthews and Holy Cross. The format was the same as the girls' tourney.

In the consolation final, St. Francis, the third place team in Pool A, faced Holy Cross, the third place team in Pool B, and Holy Cross took fifth place overall with a 15-1 defeat over St. Francis.

Holy Cross won the first game semi-final over Centennial with a 15-8 winning score. In the second game semi-final Sherratt won by a large margin over rivals Stewarttown with a 15-4 score.

In the final Sherratt met Holy Cross in a best of three games series. The first game was over-powered by Sherratt with their powerful spikes as they easily won over Holy Cross with a 15-5 win. In the second game it seemed as Sherratt was going to win the championship with a demanding 11-0 lead but Holy Cross came back strong to tie it up with some great offence and went on from there to win 15-12.

In the final game Sherratt had another demanding lead of 9-1. Holy Cross tried to fight back and did so to a point as Sherratt was just too strong of a team and Sherratt went on to win 15-9, winning the championship.

Special thanks goes to the referees from Bishop Reding: Steve Kokel, Jay Kerslake and Todd Hare and the Holy Cross SAC club.

ReMax Dodge Major Peeewe on Nov. 17 at home against Oakville things started off fast for Oakville as they scored at 9:46 to put Georgetown Major Peeewe on the defensive. Oakville scored again before the first period ended. ReMax Dodge got on the scoreboard midway through the second on a goal by Steve Boyle assisted by Randy Bond.

Bond tied up the game at 8:56 of the third with the assists going to linemates Derek Parsons and Boyle. With Georgetown short-handed Oakville made the best of the opportunity and scored what turned out to be the winning goal. Oakville scored an insurance goal at 2:52. Georgetown fought back but were unable to score, despite outshooting Oakville 26-19.

Derek Parsons pots pair vs. Brantford Knight backstops peewee win

Georgetown came out fast and confident and at 7:30 Derek Parsons scored the first goal with some good passing from Steve Boyle and Randy Bond. While Georgetown was short-handed Brantford scored to tie the game. Then with Georgetown on a powerplay Steve Boyle popped the puck in the net from a pass behind the net from Matt Downs and Mark David. With 3:03 left in the second Downs on another powerplay put a hard shot from the blueline past the Brantford goalie.

In the third up by a score of 3-1 Georgetown played cautiously feeling the win but not overconfident. Late in the third Brantford scored their second goal to make the game closer than Georgetown wanted it to be. Wanting this win the Peeewe dug in and Parsons scored his second goal of the game 30 seconds later from Boyle. With less than a

minute left Brantford pulled their goalie. Downs got the puck and shot rink long scoring his second goal into the empty net to win the game 5-2. Trevor Knight played another strong game stopping 23 shots.

In game two, Georgetown met up with a strong Stratford team and Sean Mills was going to have his work cut out for him.

The first few shifts were very slow on both teams but after that Stratford became very physical and the pace picked up. Stratford scored the only goal in the first and scored on a powerplay in the second. Sean faced 21 shots and played a solid game but ReMax Dodge couldn't put anything past the Stratford goalie despite their efforts losing 2-0.

Discussions have begun with the OBHA for a possible tournament in 1989. Secondly, ladies and children across the country have been demonstrating a real interest in ball hockey. In order to determine the amount of interest on a local level, I need to hear from you the children (17 and under) and parents, and the ladies in the community on your view points and willingness to participate. Please contact Henry Kroezen at 877-1231.

In closing, I would like to thank everyone again for a job well done in 1988. For any future information on ball hockey, please watch for upcoming articles in your local newspaper.

Improved play has Jr. C's optimistic Sabres best not good enough yet

Sometimes your best just isn't good enough.

That was the case for the Acton Sabres last week as the Jr. C squad lost a pair of contests despite playing what general manager Robin Inscoc called, "our best hockey."

Sabres skated with a tough Bradford

Blues squad on Friday in Acton, holding the Mid-Ontario league's second place club to nine goals as Bradford took a 9-5 win. On Thursday, a late third period goal depriving the Sabres of certain victory as Schomberg Cougars forced overtime and scored two minutes into the

extra session for a 4-3 win.

Inscoc was pleased with the Acton effort and credited good defensive hockey for the improved Sabre play. "Everybody is starting to think defensive because we know we're not going to score a lot of goals," he said.

Thursday's game in Schomberg turned into a heartbreaker for Acton as the Sabres led throughout only to see Schomberg tie it at 3-3 with a goal directly from a faceoff with only five seconds left on the clock.

Cougars pocketed the winner at 2:30 of OT after Acton had just narrowly missed posting the winning goal on a strong rush.

Downs strong in M and M's net as bantams take two of four

The Georgetown M and M Pro Sports Major Bantams registered two points of a possible four in tri-county play last week.

The split is a result of a loss to Flamborough on Tuesday and a win against Dundas on Saturday. Both games were on the road.

After soundly beating Flamborough 8-2 in their first meeting of the season you can imagine the surprise of our local lads when they were defeated 5-3 by a much improved Flamborough team on Tuesday night.

In a poorly officiated game which was marred by penalties the M and M squad, showing evidence of frustration, began taking needless penalties and as a result played most of the game with at least one player in the penalty box.

Numerous penalties combined with a close checking Flamborough team resulted in the M and M's second

cond loss of the season. Georgetown found the mesh first with a goal at the 2:50 mark of the first frame when Hagen scored from Kosziwka.

Flamborough quickly countered with a marker less than two minutes later and the period ended in a 1-1 tie. The second period saw Flamborough take charge of the scoreboard by ringing up two unanswered goals while the M and M's were chalking up penalty minutes and found themselves in the unfamiliar position of trailing 3-1 after two.

Flamborough got on track quickly again in the third with a goal less than a minute into the period. The homers notched yet another goal to lead by a 5-1 score before the M and M's could find the mark. On a fine individual effort Duane (Lewy) Lewis picked up a loose puck and skated in all alone, slipping in his own re-

cord loss of the season. Georgetown found the mesh first with a goal at the 2:50 mark of the first frame when Hagen scored from Kosziwka.
