Dear Santa,
My mom made a stocking with your face on it. I hope that you leave some toys in my stocking for me. May I please have a pet cat for Christmas? Can you please bring me the stuffed bunny in a cage, from Trio Mart, for Christmas as well? Can you especially bring me a plastic Christmas tree for my room? I have gotten along well with my whole family. I helped my mom and dad set the table, feed our cat and I also help with the groceries.

Love, Nadia Shah

Ho!
Ho!
Ho!

Santa's mailbag has really been filling up. This week students from Grades 2 and 3, at Joseph Gibbons School fill Santa in on what they have been doing, and what they're hoping for this Christmas.

Santa's Workshop,
North Pole
HOH OHO

Dear Santa,
I like you very much. I'll be hoping to see you at Christmas. Please may I have "Little Miss Make-up" for Christmas? May I also have a George Michael cassette tape? Can I also have some of my teeth out? I would like some of my teeth out because I don't like them that much. I hope that there is enough snow to land your sleigh on Christmas Eve.

Your chum,
Beth Rowland

Dear Santa,
How are you? I hope that your reindeer are feeling well enough to go out on Christmas Eve. May I please have A.L.F. for Christmas? Can I also have some "Nintendo" games? I would like Super Mario Brothers II, Mike Tyson's "Punch Out" and Rad Racer. Can I also have a dartboard and some darts? If I can't have these things please bring me a lizard. Thank you for the toys that I got last year.

Your radical buddy,
Derek Buckton

Dear Children,
It was so good to see so many of you at the big parade on Saturday. Unfortunately, I couldn't talk to everyone because I had to get back to the North Pole to make sure the elves weren't falling behind.

It's been a busy time and the elves have all been working hard, especially making all the Nintendo games, that are so popular this year.

I've been getting plenty of rest and I'm taking lots of Vitamin C, so I shouldn't have to worry about a cold keeping me from making my rounds on Christmas eve.

I'm so glad that you are all working hard around the house, and helping out.

I understand you're starting to get a little snow down in Halton Hills, so there shouldn't be any problem landing my sleigh.

Have a wonderful Christmas season and remember, it is better to give than to receive.

Lots and lots of love,
(your radical) Santa

Dear Santa Claus,
How are you? How is Mrs. Claus? Can I please have bunk beds for my "Cabbage Patch Kids"? I would like a bunk bed because my Cabbage Patch Kids don't have a place to sleep right now. May I please have blankets for them as well? I have been good to my brother and sister all year. I sometimes help my mom set the table.

Your buddy,
Erin Snook

Dear Santa,
I hope that it's not too cold at the North Pole. I hope that you don't get a cold and have to stay in on Christmas Eve. May I please have a "Nintendo" for Christmas? Can I please have the remote controlled car called "The Outlaw"? I would like "The Outlaw" because then I can have races with my next-door neighbor. If you run out of "Nintendos" please bring me a "Sega" system. I have been a great boy for most of the time.

Your friend,
Preston White

Dear Santa,
I hope that your reindeer doing, especially Rudolph? How are your elves doing? Can I please have a getto blaster for Christmas? May I please have a camera as well? If you lose all of the getto blasters and cameras, please bring me a "Barbie Family." I haven't had too many fights with my brother or my sister. I do housework for my mother and I help my daddy do the groceries.

Love, Cheryl Guise

Dear Santa,
I hope that your reindeer are okay. Could I please have A.L.F. (alien life form) for Christmas? Could I also have the "Transformer" that turns into a jet, an ape and a man. If you have run out of A.L.F.s and Transformers, will you please bring me a computer? I hope you don't run out of toys because you might need some for next year.

Your friend,
Matthew Otten

I would also like some chocolates in my stocking. If there are no Turbo Trains or chocolates left, will you please bring me one of the "Tiger Force" guys from G.I. Joe? I have done the dishes for my mom lots of times.

Your friend,
Andrew Boyce

Dear Santa,
I have lots of cookies for you. I will leave the keys to my house in the mailbox. Will you please bring me some books for Christmas? Will you also bring me some clothes? If there are no books or clothes left, will you please bring me some toys? I will leave some carrots for your reindeer.

Your friend,
Melissa Millett

Dear Santa,
I hope that your elves make enough toys for all the boys and girls. May I please have a train set for Christmas? Can I please have some "Space Lego" as well? If there are no train sets or Lego left for me on Christmas Eve, please bring me a set of dinky cars. I have been on my best behavior all year long.

Your very best friend,
Geoffrey Fletcher

Dear Santa,
I can't wait until you get here. This year I would like a Nintendo and some games. I would like a Nintendo because I always get bored at my new house. I would especially like a new house of my very own, and a puppy to live with me. I hope your diet is going well. P.S. I would like some rent money for my new house.

Your friend,
Shane Copland

Dear Santa,
I will leave some egg nog and cookies out for you on Christmas Eve. I would like a ten-speed bike for Christmas. Will you please bring me a "Legend" snow-board also. Instead of a bike or a snow-board I'll take a basketball or a chemistry set. How is Mrs. Claus? How are your reindeer?

Your friend,
Jason MacNeil

Dear Santa,
I will leave some carrots for your reindeer and some cookies for you. May I please have "Dress and Dazzle" for Christmas? Can I please have some ponies to play with. Could I please have a pair of twins and a mommy? If you have given all the "Dress and Dazzles" and ponies away, can you please bring me "Little Miss Make-up"? I have been a pretty good girl most of the time. I even made mommy's bed all by myself.
