ALTERNATE ELEVATION

first storey 668 sq. ft.
second storey 630 sq. ft.

This three bedroom 1,888 square foot design offers two distinctive exteriors. Decorative wood trim, stucco and brick accents characterize the stylish Tudor finish, while beveled horizontal sliding dormer and circle head windows adorn the charming Heritage alternate. Left, off the two storey entry, is a large living/dining room combination with warming fireplace and built-in buffet nook. The kitchen is a cook's delight, with its angled counter, desk / organizer area and abundant shelf storage. A breakfast room resting in a greenhouse bay overlooks the sunken family room, which is separated by an open railing and features a second masonry fireplace and sliding glass access to rear patio. Access from the double car garage opens to a convenient main floor laundry/mud room.

The L-shaped staircase winds to a railed gallery above, leading to the elegant master bedroom, which boasts a coffered ceiling, front view bay window, spacious walk-in closet and ensuite with raised whirlpool spa. The two additional bedrooms share a three piece bathroom and linen storage wall. The 221 square foot bonus room allows for future expansion and may be utilized as an additional bedroom or media room.
