WANT TO APPEAL YOUR ASSESSMENT?

You still have time to appeal your 1988 assessment if you feel your home or business property has been improperly assessed. Your assessment is important because the amount of property tax you will pay in 1989 depends on it. The assessed value of your property is multiplied by the municipal and school mill rates to determine your property taxes.

Notices of Property Valuation were mailed to property owners and tenants whose assessments have changed since last year. Open house information sessions were held in your area to give you the opportunity to ask questions and correct any errors.

The Assessment Roll was delivered to your municipality on December 20, 1988 and will be used to calculate the taxes you will pay in 1989. You can review the Roll at your municipal office during regular business hours. If you believe your property has been improperly assessed and you have not yet registered an appeal, you still have until January 10, 1989 to mail or deliver your appeal to the Assessment Review Board. **And remember, even if you did not receive a Notice of Property Valuation, you still have the right to appeal.**

Appeal deadline — January 10, 1989

The Assessment Review Board is an independent tribunal under the jurisdiction of the Ontario Ministry of the Attorney General. It is intended to provide you with an additional opportunity to have your assessment reviewed if, in your opinion, it is not fair and equitable with the assessment of similar properties in your area. The Review Board is more informal and relaxed than a regular court of law. You may present your own case, retain a lawyer, or ask a relative or friend to speak as your agent.

To help you in filing your appeal, Notice of Appeal forms are available from the Assessment Review Board, your Regional Assessment Office, or your municipal office. You can also use the reverse side of a Notice of Property Valuation, or write a letter giving the property address and roll number along with your reasons for appealing. Appeals should be forwarded to the Regional Registrar of the Assessment Review Board at the address shown below.

If you appealed your previous assessment, it will be necessary to lodge an appeal against your assessment with the Assessment Review Board each year, if the appeal against your previous assessment has not yet been settled, or your 1988 Notice of Property Valuation does not reflect the most recent decision of the Board.

In those parts of Ontario designated for French Language Services, you can appear before a bilingual (English/French) Appeal Board. Please check the space provided on your appeal form if you wish to use this service.
