PERSONAL

BAHA'I FAITH - World order can be founded only on an unshakable consciousness of the oneness of mankind, a spiritual truth which all the human sciences confirm. Anthropology, physiology, psychology, recognize only one human species, albeit infinitely varied in the secondary aspects of life. Recognition of this truth requires abandonment of prejudice - prejudice of every kind - race, class, color, creed, nation, sex, degree of material civilization, everything which enables people to consider themselves superior to others. If you would like more information or would like to attend an informal discussion meeting on the Baha'i Faith, call Kerry 877-9530 or Don-878-6138, or write Box 91, Georgetown, Ontario, L7G 4T1. A meeting will be held Tuesday, January 31, 1989 at 7:30 p.m. at the Acton Library.
