Free skating

There will be free skating in Acton and Georgetown on Thursday, Feb. 2 and Friday, Feb. 3. The Acton Public Skate will be from 2:30 p.m. to 3:50 p.m. This opportunity has been made possible through the generosity of the Acton Rotary Club. The Georgetown skate is from 1 p.m. to 2:20 p.m. at the Memorial Arena. This opportunity has been made possible through the generosity of the Georgetown Optimist Club.

Outdoor rinks

With consistent sub-zero temperatures, the department is endeavoring to construct natural ice surfaces for public recreational use at the following locations:

Georgetown Fairgrounds (2); Harrison School (1); Emmerson Park (1); Joseph Gibbons Park (1); McKenzie-Smith School (1).

While all rinks are available to the general public for use during

park operating hours, one of the rinks located at the Fairgrounds may be scheduled by groups for special events by contacting Jeff Bitton of the Recreation and Parks Department at 877-5185 extension 262.

In addition to the natural ice rinks, town parks are open daily through the winter for cross-country skiing, tobogganing and walking.

Skill search

The Town of Halton Hills Recreation and Parks Department is constantly searching for new and exciting leisure programs to offer. However, we often find it difficult to run these programs because we lack the qualified experts to instruct or assist with the program. If you have any skills and/or training in leisure activities that you could share with others, or you would like to volunteer your time to help with our programs (i.e. Special Needs Drop In Programs, Seniors Magazine or the Halton District Seniors Games), please give us a call.

Chiefs play win, lose and draw

The Georgetown Domtar Packaging Minor Peewee "AA" Chiefs completed their Tri-County regular season schedule with another win, loss and draw week.

Brampton visited Memorial Arena on Jan. 10 and in a very physical game earned a 2-2 tie with our locals. Chad Hughes very capably handled the netminding duties for the Domtar Packaging squad. Offensively, Mark Aldridge opened the Georgetown scoring on a goal assisted by Duane Erier and Duke Bouskill. Doug Sheppard assisted by Jamie Stephenson completed the Domtar Packaging scoring.

On Jan. 12 at Memorial Arena, Ancaster opened the scoring in the first minute of play. Erier immediately answered with an unassisted tally and goalie John Waller closed the door as the locals skated to a 5-1 victory. Bouskill, Gavin Glaser, Aldridge and Stephen Yurichuk each counted a marker for the Minor Peewees. Sheppard and Stephen Onoprijenko earned two assists, and single helpers were credited to Erier, Scott Wilson and Tyson Hackett.

The Domtar Packaging team travelled to Stoney Creek on Jan. 15 to play a game that likely decided second place in the Tri-County standings. A very disappointing effort by the Minor Peewees resulted in a 6-2 loss. Goalie Chad Hughes was left all by himself all too often during the game. Late goals by Sheppard from Bouskill and Aldridge, and Aldridge from Glaser and Jim Katsilieris made the score somewhat respectable. Defenceman Brent Wilkinson, while he did not hit the scoresheet, played a strong game for Georgetown.

Coaches Chris Milne, Dan Curtis and Wally Petrie will now focus the Domtar Packaging squad on the Ontario playdowns. The immediate target will be the Blenheim Tournament scheduled for this weekend.

McNally's swarm falls short

After the first 10 minutes of the Georgetown McNally Construction Minor Novice game against Milton on Jan. 11, they had already fallen behind 3-0.

And the worst part was that they had the better of the play to that point.

The Milton goaltender had stopped David Markham, Mike Krause and Ryan Smith on clear cut breakaways. The McNally's had been pressing but certainly Milton had made better use of their chances, scoring three goals on their first three scoring chances.

Finally, Trevor Rich muscled a rebound past the sprawling opposition goaler and next it was David Markham who was left alone in front of the Milton net. He made no mistake when he finished off the play. Markham played a strong game all-around and with any luck could have scored a couple.

Next, with Milton holding a 5-2 lead, came the play of the game. Judd Richardson picked up the puck at centre ice, outskated the forward to the blueline, put a

good fake on both opposition defencemen and then when he went in all alone on the goaltender, gave him a deke that completely froze him while Richardson calmly put the puck in the open net.

Richardson was smiling as he went to the bench as well he should as his goal appeared to ignite the locals.

With one minute left Robert Larose scored to narrow the gap to 5-4 and create a thrilling finish.

Blue Zone paces hoopsters

The Blue Zone continues to lead the Georgetown Ladies Basketball League standings but the Pacemakers are keeping pace.

Both teams have taken a pair of wins since the 1989 half of the league schedule resumed. After 12 games the Zone boasts a 10-2 record while the Pacemakers sit second at 8-3-1.

The Zone downed the 76ers 55-48 and the Pacemakers clobbered the Steroids 65-25 last week while the Celtics rounded out the schedule with a 66-58 triumph over the California Raisins.

Two weeks ago the Blue Zone

hammered the Celts 64-35 and the Pacemakers dusted the Raisins 71-47. Sixers beat the 'Roids 34-30.

Linda Osso had 16 points for the Blue Zone in last week's win after hooping a team-high 22, two weeks ago.

Pacemakers got 20 points from Anita Stankus in both their wins while Carol Kovacevic led the Raisins with 24 and 16-point games.

Celtics' high scorers were Michelle Miehms (37) and Boo Tufford (19) with Lisa Bell (10) and Pat Nessel (12) leading the Steroids.

Industrial Growth Fund

When it comes to RRSP investing, one word says it all. Results.

There are many ways to invest your RRSP dollars.

And each RRSP alternative claims it's the best — for one reason or another. But none of these claims hold water unless one thing is there to back them up: a record of performance.

There are many things we could say to attempt to establish the credentials of The Industrial Group of Funds... that we manage more than \$7 billion for more than 600,000 Canadian investors... that we pursue growth, but never at the expense of consistency... and that our record of anticipating developments in the market has been excellent.

But only hard numbers count. And we urge you to make your RRSP decision on the strength of comparison of results.

Here are ours:

	1 yr.	3 yr.	5 yr.	10 yr.	20 yr.
Industrial Growth Fund	20.5%	11.2%	13.0%	16.7%	16.2%
