BAHA'I FAITH Strive to show in the human world that women are most capable and efficient, that their hearts are more tender and susceptible than the hearts of men, that they are more philanthropic and responsive toward the needy and suffering, that they are inflexibly opposed to war and are lovers of peace. Strive that the ideal of international peace may become realized through the efforts of womankind, for man is more inclined to war than woman, and a real evidence of woman's superiority will be her service and efficiency in the establishment of universal peace. If you would like more information or would like to attend an informal discussion, a meeting will be held Tues. Jan. 31, at 7:30 p.m. at the Isabel Watson Room, Acton Library, or phone Kerry 877-9530 or Don 878-6138.
