**FINANCIAL PLANNER**

A career with Investors, one of Canada's largest financial institutions, can mean top earnings, rapid development and promotion. Our top financial planners have six-figure earnings.

We're looking for 3 people who have a basic understanding of personal money management—a background in finance isn't necessary,

although it's helpful. Higher education, a track record in sales, or equivalent experience count a lot. Our initial training and professional development programs are the best in the business. We also support you with both national and local advertising. If you're interested in pursuing a career in the rapidly expanding field of financial planning, please mail or fax resume to:
