Two of our members are to attend Halton Farm Safety Council's annual meeting Feb. 22 at the Muddy Duck Restaurant in Milton.

A bulletin from Margaret Munro, president of the Federated Women's Institutes of Ontario was read. FWIO's theme in 1989-90 is "Women and the Environment." June of this year is designated as WI month.

Winners of the FWIO's 90th anniversary educational award for 1988 have each received a cheque for \$600. This is to update the education of the four WI members, one from each region in Ontario.

The National Conference of the FWIC will be held in Victoria, BC in 1991. A story on Folklore is being

sponsored by FWIC. There are also Tweedsmuir history competitions.

The Associated County Women of the World Conference is being held in Kansas City, Missouri, in September, 1989.

The roll-call, "Name the achievement of a well-known Canadian citizen," was answered by 10 members and four guests.

Marie Murray introduced the speaker Marilyn Mitton who is vice-president of the World Young Women's Christian Association (YWCA) with its head office in Geneva, Switzerland.

A resident of Georgetown, Marilyn has travelled all over Canada, the USA and in many parts of Europe, the Far East and the Middle East. Her mission is to represent the policy and point of view of the YWCA through different countries of the world.

Sharing experiences is something all women do easily, especially when it comes to topics

like children and fashion. The speed of communication today makes it possible for us to have a window on the world.

Interrogation is unbelievable in parts of the Middle East, she said. Marilyn's related experiences were very deep and meaningful. Marie Murray thanked Marilyn and presented her with a spring plant.

Norval WI will hold an open historical meeting March 1 at 7:30 p.m. in Norval Community Centre. Elaine Bertrand from the local Architectural Conservation Authority Committee (LACAC) will speak about the restoration of the Norval Pioneer Anglican Cemetery.
