## Get spring on fields

It is hard to believe, but the ball/soccer/football season is just around the corner. Most leagues are already preparing for registrations and the upcoming season. We would like to remind all league contacts to be sure to have their requests in the Recreation and Parks office no later than Tuesday, Feb. 28.

If anyone is interested in reserving a sports field(s) for a picnic, tournament, dog show, family reunion or just a day of fun in the sun this summer, we invite you to submit a request to the Recreation and Parks Department office. Request forms are available at the Recreation and Parks office, 25 James St. and the Acton Arena. The sooner your request is received the better your chances, so be sure to get your request in right away.

The 1989 playing field season (weather permitting) will run from Monday, May 1 to Saturday,

Sept. 30. All field requests will be reviewed with priority given to affiliated minor groups, local over non-local and previous year's users over new requests and league games over tournaments and practices.

Our parks have plenty to offer; good sports facilities, tennis courts, streams, swimming, picnic pavilions, creative play equipment, beautiful scenery and much, much more. Make plans to enjoy your parks in '89.

## Park attendants apply now

Anyone interested in working as an attendant at Prospect Park, Acton or the Georgetown Fairgrounds, weeknights (6 p.m. - 10 p.m.) and/or weekends is asked to drop by either the Recreation and Parks Department office, 25 James St. or one of the arenas or indoor pools to fill out an application. Deadline for applications is Feb. 28, so don't delay.
