

Judy caters to the particular

Judy Wickware, owner and sole full-time employee of Pictures and Presents, at 124 Main St. South in Georgetown, has just begun high quality picture framing for the customers who are particular in their taste.

With this new service, and recent specialization in giftware, concentrating on the more popular items, Mrs. Wickware feels that Pictures and Presents offers the best in custom framing and good service for customers.

Along with framing and gifts, the store has seen considerable success in sales of limited edition

prints. Prints offered at Pictures and Presents are by some of the most renowned in the art world, including Robert Bateman, Romance, Lumbers, Newby, Doolittle, Suretes, MacDonald, and many others.

Giftware specialization has taken the form of Gund brand stuffed animals, candles, pimpernel placemats and coasters.

Mrs. Wickware is married to Terry, a sales representative with Atlantic Packaging, and they have two children, Jim, 21, attending Guelph University, and Jody, 17, at St. Thomas Aquinas High School.

Both she and her husband are members of the North Halton Golf and Country Club, and are avid travellers.

Other employees of Pictures and Presents are Mary Ellen Van Clieaf, who handles ordering and selling prints; Sharon Smith, who orders and sells giftware in addition to doing framing; and Bonnie Walters, who is also involved in the new framing service.

Framing offered by Pictures and Presents is available for just about any custom job - prints, posters, certificates, needlepoint, and photos.

Nothing but Raves for your hair

Raves Hair Fashion on Guelph Street has a hometown flavor while keeping its clients up-to-date with hair trends.

Owner Bonnie Brunton is a Georgetown native and says people in town generally take pretty good care of their hair.

"Today, most people, especially teens, handle their hair very well. With the right cut or perm (permanent wave) we can make their life a little easier," she said.

Raves Hair Fashions carries several lines of in-salon products to help clients break into the retail market "for today's lifestyle."

Raves carries Joico Products, KMS Products, and the Australian three-minute Miracle Sun Glitizing. Raves hopes to get people "in tune" with the latest hair care available.

Mrs. Brunton lives in Georgetown and is married to Georgetown native Larry Brunton. She has four children, Wayne, 19, Angela, 18, Larry, 17, and Jim, 14.

And Mrs. Brunton comes from a long line of local natives. "My grandmother was born in Stewarttown.

"Both my parents were born in Georgetown. My parents and grandmother both had businesses in Georgetown for many years," she said.

Mrs. Brunton's goal for her own

business is to help "satisfy our customers with the most up-to-date hair fashions and quality products."

But while keeping one eye on the

hair salon, she keeps the other eye on the town.

"I would like to see Georgetown continue to grow and prosper," she said.

Wetherby's specialty is British items

Courteous, friendly service and quality goods you won't find in other stores, are what Wetherby's has in store for visitors.

Presently a member of the Halton Hills Tourism Committee, co-owner Josephine Lister employs three part time salespeople, Ann Lidbury, Joanne Lister, and Bev Atkey.

Wetherby's, at 149 Church St. East in Acton, is a British Gift Shop, offering a wide variety of gifts, books, toys and foods from England. Some of the many gift items at Wetherby's include Royal Worcester Spode Tableware, Dartington Crystal, Royal Doulton China, and Poole Pottery.

Not only a gift shop, the store also offers British-style foods, Chivers jams and marmalades, Fortnum and Mason tea, Fox's Carr's, and McVitie's biscuits, Chutneys and mustards, and Blue Bird toffee.

Wetherby's has been open since October, 1988. Their motto is "In the British manner," and they hope to be able to supply quality imported goods, and also give their British customers "a touch of home."

Mrs. Lister grew up in Wether-

by, a small market town in Yorkshire, England. She and her husband moved to Canada with their three children in 1965. The Lister family has lived in Halton Hills for the past 22 years. Before opening Wetherby's, Mrs. Lister had her own marketing company.

For the business in the future, Mrs. Lister says there are many more new and interesting items she would like to import from Britain in the future.
