

# THE WEEK

## Close losses for Peewees

"Close, but no cigar" describes the Georgetown Weldwood Major "B" Peewee games last week, as twice they lost by two-goal margins in Harrison Division playoffs.

Thursday, the Georgetown team visited Milton. Seth Homer played well in goal, allowing only one even-strength goal, as Weldwood lost 2-0. Milton scored an early first-period goal and added a third-period powerplay goal to seal the victory.

On Saturday, Burlington came to Alcott Arena. They broke on top 2-0 in the first, but Weldwood closed the gap when a Matt Deruchie wrist shot hit the goalie high on the left shoulder and bounced over and into the net. Shannon Morris received the assist.

Deruchie tied the game at 4:21 of the second when he took a pass from Jeremiah Fendley and fired a slapshot from just over centre that beat the Burlington goaltender. The second period ended at 2-2.

The third period was scoreless

until halfway through the frame when Burlington notched the go-ahead marker. This apparently unsettled the underdog Weldwood crew, as give-aways resulted in two goals more in the next minute and a half. Weldwood got back one marker as Morris out-fought two defenders for a loose puck and fed Deruchie in the high slot. His wrist shot found the far side of the net and it was 5-3. However, time ran out, leaving the final score at 5-3.

Darryl Casselman played a strong game in goal for Georgetown, facing 31 shots. Charlie Snook, Blaine Kennedy, Matt Anderson and Derek Fuffolo supported him by blocking shots. Centre Fendley led the team in takeouts, with five, while defenceman Ken Brown followed with four. The best line defensively, for Weldwood was the Michael Travers - Andrew Marshall - Anderson line, which moved the puck well.

The team's next game is Mar. 5 at Alcott, against Erin.

## Biathlon format changed

The format of a proposed biathlon in Halton Hills on Aug. 13 has been changed to increase the safety of the event, said contest promoter Gerry Bruce last week.

Bruce, of Triathlete Promotions in Weston, says the original run-bicycle sequence has been changed to a run-bike-run format to ensure the safety of participants. "The change was recommended by myself to Staff Inspector MacPherson of the Halton Police to ensure further safety around the start-finish

area," said Bruce.

The original format called for participants to run a distance of about 10 km before finishing the event with a 40-km bicycle route. Under the new proposal, athletes will begin the biathlon with a 5-km run, followed by a 40-km bicycle ride and concluding with another 5-km run.

"With this format, the competitors would be finishing the event running, rather than sprinting at 45 kilometres an hour on their bicycles," said Bruce.

The biathlon, which has already received Town and Region approval, will use Stewarttown School as its start-finish and transition area with the course emanating from the immediate area.
