Embroid mixes up or involves in trouble. If you feel the heat of this verb, that heat comes from the broil in embroil.

One kind of cactus is cereus. Pronounce cereus like serious, as you

probably already knew. You didn't? Get cereus.

Q. If you're selling two items for the same price, is that the price for each or for both?

A. Use each to show that the price applies to one item or the other. Both would suggest that the two items are sold together at that price. You'd get twice as many priced "for both" as "for each."

SCHOOL LIBRARY

Under the undoubted influence of Robert Little, the citizens of Acton decided to right a wrong in 1864. On the Queen's Birthday (May 24th) a gran solree was organized in the Acton Temperance Hall. The proceeds of the event were to procure a School Section Library. The music was provided by the Acton choir. The Temperance Hall stood where Elizabeth Street now joins Main Street. It doubled as the Town Hall.

Many thanks to Mark Rowe who wrote this article. The next meeting of the Esquesing Historical Society is Wednesday, March 8th at 7:30 at St. John's Anglican Church, Stewarttown. Don Lawson will speak on "Historic Stewarttown"
