ASTRO-GRAPH

Your Birthday

March 18, 1989

You are likely to have a very strong sense of independence in the year ahead, yet you will be capable of working in close harmony with others. These gifts will be major contributors to your success.

PISCES (Feb. 20-March 20) Make it a point to try to treat co-workers as friends and equals today. Instead of merely people with whom you labor. They'll be keenly attuned to the difference and resentful of variations. Know where to look for romance and you'll find it. The Astro-Graph Matchmaker instantly reveals which signs are romantically perfect for you. Mail \$2 to Matchmaker, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428.

ARIES (March 21-April 19) In critical matters that could reflect upon your image today don't let your emotions and feelings overrule your logic and common sense. If you do, you might not look good to others.

TAURUS (April 20-May 20) Try not to get your mate involved in something today that includes people who make your mate feel uncomfortable. It could put a damper on the event.

GEMINI (May 21-June 20) Guard against tendencies today to take yourself and life too seriously. Look on the bright side and start counting your blessings, and you'll see you have a lot to cheer about.

© 1989, NEWSPAPER ENTERPRISE ASSN.

CANCER (June 21-July 22) Try to determine in advance how much you should spend today if you plan to go out on the town with others. Unless you have a definite figure in mind, you might make a big dent in your wallet.

LEO (July 23-Aug. 22) In order to complete all you hope to accomplish today, you will have to be methodical and orderly. Don't even attempt to do two things simultaneously.

VIRGO (Aug. 23-Sept. 22) At a social gathering today don't attempt to classify or catalog people you meet for the first time. Your initial impressions could be way off the mark.

LIBRA (Sept. 23-Oct. 23) Financial involvements must be handled with prudence and caution today, because if you do make an error in judgment, it could be quite expensive and offset anything you've gained.

SCORPIO (Oct. 24-Nov. 22) Even though you will have good intentions today, you might do things in ways that companions will find offensive. Try to govern your behavior so that you do not ruffle anyone's feathers.

SAGITTARIUS (Nov. 23-Dec. 21) Any serious complications you experience today could be of your own doing. In situations where others control events, all should go more smoothly.

CAPRICORN (Dec. 22-Jan. 19) If at all possible, try to steer clear of business involvements with friends today. This is a critical area and there's a chance neither you nor your pals will handle things properly.

AQUARIUS (Jan. 20-Feb. 19) In any matters that are meaningful to you materially today, it's best you heed your own counsel instead of following the suggestions of others. Your judgment is apt to be better.
