CARD OF THANKS

TO SO MANY I owe my sincere thanks. For the many lovely floral tributes, cards, letters, visits, donations made in Gord's memory, the telephone calls and for the love and support of all our dear friends. I am most grateful. Thank you to my family for their tremendous support, without whom I would be lost, and to Barb and Doug for being so kind to me. Special thanks to Rev. Glynn Easson for his love, consolation and continuing support, and to Father Dave Cote and Rev. Graham Bland who assisted in the beautiful service of thanksgiving. I know that Gord's family shares my expression of gratitude. A big "thank you" for all your kindnesses and to all of you for caring and sharing in the loss of my dear husband and best friend Sylvia Graham

Terra Cotta Conservation Area Master Plan Study PUBLIC MEETING

The Credit Valley Conservation Authority is undertaking a study to prepare a new master plan for Terra Cotta/Silver Creek Conservation Area and associated lands. The prime consultants for the study are Hough, Stansbury & Woodland Limited and their final work will be completed in June.

Public participation is a requirement of the project. To date, Hough, Stansbury & Woodland and its team consultants have completed an initial review of the site and the recreational user market, and have identified several conceptual schemes for the master plan that could be viable new directions for the related conservation areas. In addition, to informal interest group contact, the consultants and Authority staff would like to meet with the general public to review work to date, discuss options and seek responses from all people having an interest in recreation within the Terra Cotta/Silver Creek vicinity.

Thursday, March 30, 1989 at 7:30 p.m.

To be held at the Credit Valley Conservation Authority's Administrative Office 1255 Derry Road, West Meadowdale, Ontario

For further information contact:

Mr. Ken Owen
Manager, Land Resources
