Local skaters cut sharp figures

These Georgetown Figure Skating Club members had plenty to smile about after winning medals at an International competition in Sarnia recently. Local figure skating fans will get a chance to enjoy some fine ice entertainment today and tomorrow at the Georgetown Figure Skating Club's annual carnival, "Just Cruisin'." What they'll also get to see, is a group of polished medal-winners.

Four skaters from the Georgetown club returned from the Western Ontario Section Winter Invitational Competition in Sarnia on Mar. 10-12 with a handful of medals after turning in impressive performances at the international meet.

Danielle Dembie, Tara Hart, Lesley Watson and Rosie Gimeno

were part of a six-skater contingent from Georgetown that claimed positions in the top three spots of their respective competitions. Two other Georgetown skaters, Joanna Miller and Sarah Arnesen also skated strongly while missing the medal round.

Dembie picked up a gold medal in the freeskate and added a bronze in elements; Hart had silver in elements and bronze in freeskate; and Watson picked up bronze in elements and shared a gold medal with partner Rosie Gimeno in the similar pairs event.

Miller narrowly missed climb-

ing the medal podium with a fourth-place finish while Arnesen finished eighth in her category.

Over 1,000 skaters from Canada and the USA competed in the weekend event which was sanctioned by both the Canadian Figure Skating Association and its U.S. counterpart.

The 27th annual figure skating carnival starts today and runs through tomorrow at Memorial Arena.

Lawnbowling starts soon

The Georgetown Lawn Bowling Club has been active since 1908 when it was located behind the present Bank of Commerce and Goodlet's Hardware buildings. In 1918 the club moved to its present location at Edith and William Street. The historic clubhouse building comprises a pioneer log cabin and log barn originally erected in 1840 on the Fourth Line West, Chinguacousy Township.

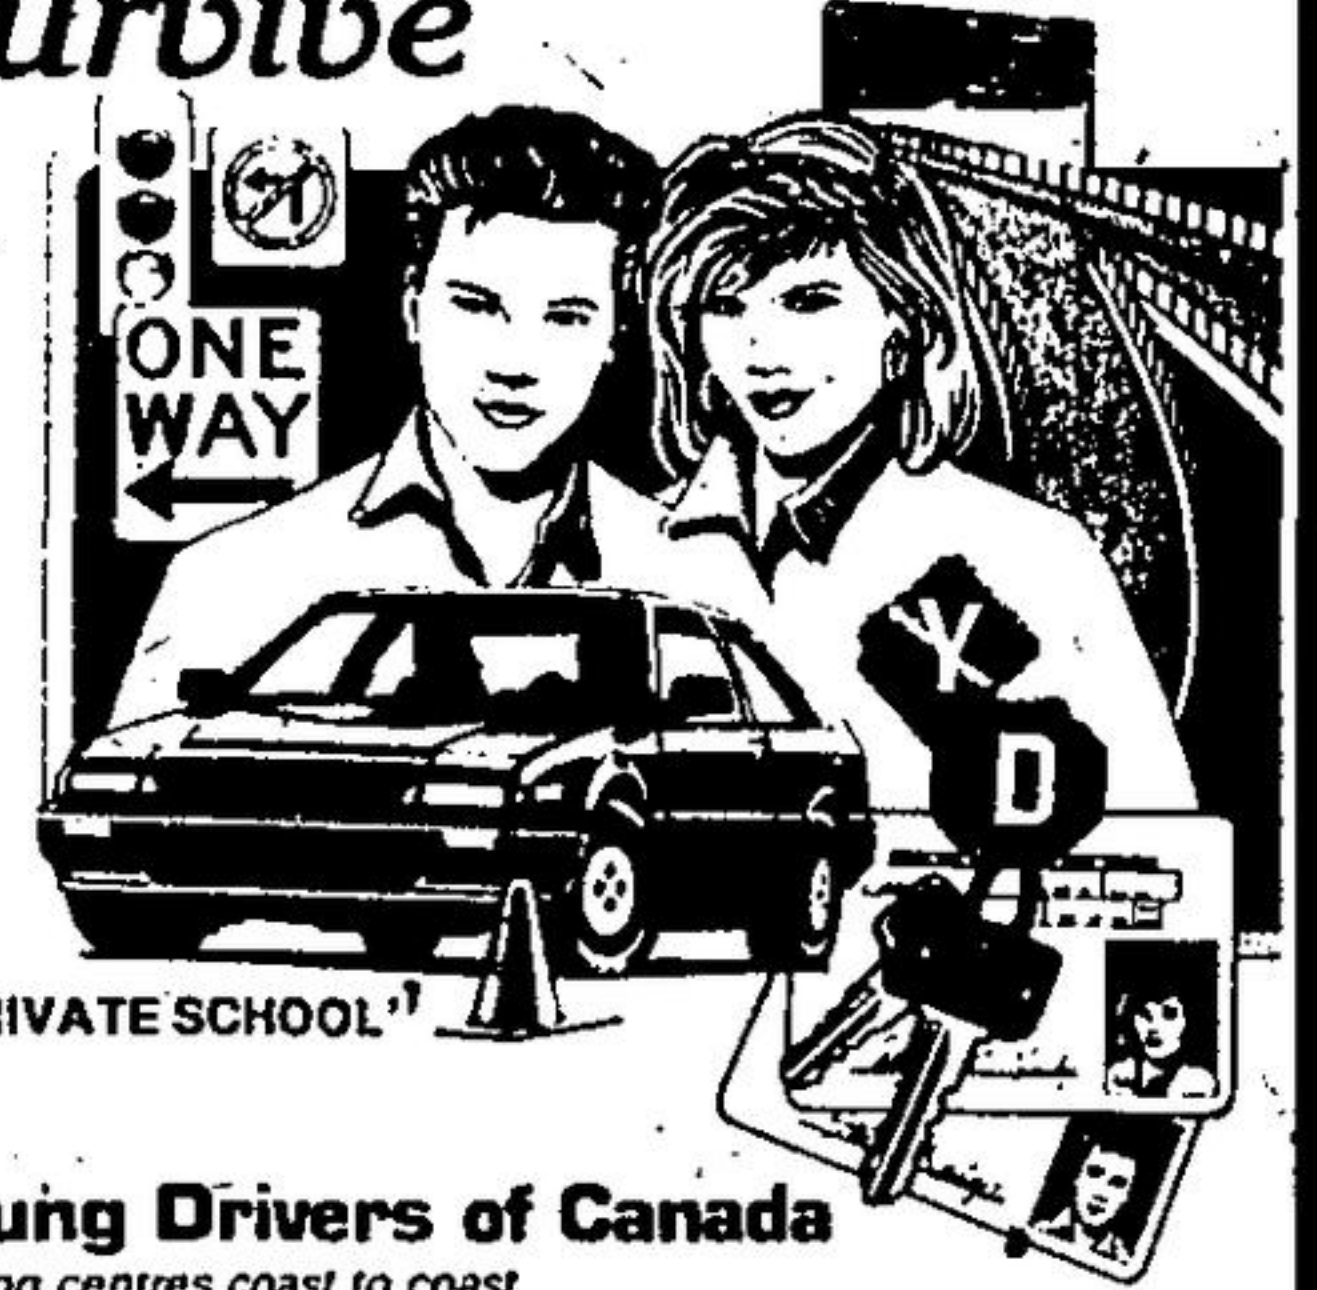

Many of the casual bowlers enjoy the fun, fellowship and social aspects of the club as well as the inter-club jitneys. Other look for tournament competition in provincial playdowns or in weekly tournaments between

Georgetown, Milton, Oakville, Streetsville and Port Credit. There is a ladies tournament every Wednesday and a mixed (men and ladies) tournament every Saturday at one of the clubs.

Lawn bowling is a game of skill, much like curling, but without the stress of sweeping or fear of slipping. It may be played by individuals or by teams of two, three or four. With seven rinks available, up to 42 players can be accommodated at a time. It is easy to learn but difficult to master and is a great opportunity to enjoy the outdoors, fresh air
