

**Colorful faces**

Country Video held its re-opening ceremony on the Tenth Line on Saturday. The store now has a snack bar which sells popcorn, frozen yogurt, sundaes, ice cream and milk shakes. Here, Squeaker the clown, who was on hand for the celebration, paints the face of a young patron, five-year-old Erin Lewis. (Herald photo)

**Theft charges**

Police say an Erin woman who allegedly stuffed a bag of mixed vegetables, a container of milk, three cans of orange juice and 80 baseball stickers in her purse Thursday afternoon, will be charged with theft under \$1,000. Police say a woman left the store without paying for \$37 worth of articles from a Guelph Street grocery store. The suspect, an Erin woman, 36, will appear in court May 8.

**Vacuum missing**

The Riviera Club in Norval is missing a \$1,500 vacuum. Police say an industrial vacuum was taken from a cupboard inside the building last weekend, but there were no signs of a break-in. Police continue to investigate.

**Limehouse WI elects officers**

By **GLEND A BENTON**

Limehouse Women's Institute elected their officers for a new year following their annual potluck luncheon on Thursday, April 6.

Past President is Glenda Benton, President Jean Anderson, First Vice Agnes Swinkles, Second Vice Jean Kirkwood and Secretary-Treasurer is Betty Dubuc.

Despite a small membership a good year was reported by all conveners and many interesting programs were held. The WI meets the first Thursday of each month and any lady interested is welcome to attend.

The first euchre of the season sponsored by the Women's Institute was held Thursday, April 6 in the Limehouse Memorial Hall. Ten tables were in play and the high scores were Mae Tost, Ada Sinclair and Jean Layman for lone hands playing pink cards. Playing white cards the winners were Gar-

field McGilvray, Spike Scott and Jean Cunningham for lone hands.

Congratulations for POWER for being selected Citizen of the Year for Acton. This is a very dedicated group working on behalf of all Halton Hills. They have done much research and an in-depth study of the area and hope to be able to convince the Ministry of the Environment that the United Aggregate Quarry is an unsafe location for a garbage dump. To attend these hearings is a very costly process. A major fundraiser is planned for April 22 at the Works Yard on Trafalgar Road. At present POWER members are busy pick-

ing up items for the giant garage sale to be held at the above location. Items can also be delivered to the Works Yard Friday, April 21 between 6 p.m. and 9 p.m. Plan to donate and help this worthwhile project. Come out on April 22 between 10 and 4 and take advantage of the bargains.
