Education Week

April 24th-29th, 1989

"PARTNERSHIPS FOR SUCCESS"

Education is a shared responsibility in Ontario. Across the province, people of all ages and occupations are working with teachers and school boards to ensure that our students can compete with the best in the world. Together, parents and educators, schools and neighbourhoods, leaders of business and members of the community, are forming partnerships for success.

During Education Week, April 24 to 29, we celebrate these alliances. For in the end, an innovative curriculum sparks a desire that reaches far beyond the classroom.

Take part in Education Week: become a partner in Ontario's future!
