

# Rodda sticks atop Halton dart board

## Darts

By ALEX TOUGH

Monday night darts continues with Time Out's blind draw mixed doubles, and, if time permits, teams. However, the playoffs for singles and teams are yet to come. Singles on Apr. 23 at 10:30 a.m., Army, Navy, Airforce Club at Lakeshore and Cawthra. Teams

later in May. Unofficial top 20 players in the Halton Division are Gary Rodda, 180; Pete Pickering, 161; Ron Scarlett, 153; Beau Beaumont, 145; Joe Cairns, 145; Danny Fraser, 145; Rick Harden, 144; Ged Williams, 142; Brian Hicks, 134; Randy Hunt, 131; Eddie Patter on 126; Terry Hancock, 124; Alex Tough, 115; Mark Farrimond, 113; Hugh Smid, 110; Terry Kouyoumjian, 107; Paul Kirby, 103; Bruce Hope, 103; Mike Pepper, 101 and Greg Thoms, 98. Teams represented in the Top Twenty are Time Out I with 8; Steep Rock with

5, with 4 - Hollywood; with 2 - O'Tooles and Brackens with 1. I missed Ian McDonald with 129 in the listing, sorry Ian. The leading 180 maximum players are Ron Scarlett four; Danny Fraser and Rick Harden three; Gary Rodda, Jeff Richardson, Pete Pickering, Ian McDonald and Ron Duval two and singles from several players. High finish goes to Pete Pickering with 158, Jim Nicholson 156; Gary Rodda 140; Paul Richardson 122; Dean Zilio, Paul Kirby, each with 120 and several others over the 'ton.'

A suggestion has been made to have a localized type of playoff in the division. As yet nothing has been discussed.

The Industrial league, at the Legion, on Wednesdays is also into the playoffs as reported last week.

Unofficial standings after the first three matches, except for three first division teams which played two matches each are as follows.

First division: High Rollers 6; Westenders, Snowjacks Hustlers 5; Panthers, Bulldogs, Exports 4; Golden Flights, Ensigns 3; Inter County 0. There is a game sheet missing which will affect these standings.

Second division: Gasketmen Cutters, Power of Pain 7; Independents, Acadian Pools 6; Taxmen, Aces 5; Firemen 3; Steep Rock, Bandits, Unknowns 2.

A feature is that both division champions are not in first place in the playoffs and the format will make it difficult for Snowjacks Hustlers and Steep Rock to repeat even at this early stage.

Pete Pickering opened three games with 120, 100 and 100 to show some determination to put his team in the running. This is one of the game sheets in the missing category matches - Exports that is. Harry Bottoms scored 156, Ken Baker 140 and Trevor Williams 130. Don Eady scored 92 with a two dart opening and wired the third on triple 20 to the floor unfortunately.

Terry Kouyoumjian opened with 96 and 102. Pete Pickering came in with 140 and Paul Mavanagh with 133. Jay Bishop topped 138.

Second division highlights come from high starts from Rick Harden with 120 and John Burke with 106. Rob Poyner closed out 72. High scores were a-plenty. Bill Weir 138, Tom Shannon 119, Peter Buckley 140, Mike Pepper 135, Tim Field 140, 120; Bruce Hope and Mark See 140, Harden See, Gerry Smythe.

This scene won't be repeated at the North Halton Curling Club until next fall as the local sweepers and rock-throwers wrapped up the 1988-89 season with the Cornelius Cup (two weeks ago) and a ladies bonspiel in Chinguacousy. The ladies closing dinner goes on May 3. (Herald photo)

## Curlers finish sweeping

The North Halton Curling Club rink of Alice Frazer, Ellen Burns, Mary Wands and Janet Dean were winners of the second event at the Spring Festival two-day bonspiel in Chinguacousy recently, as the local club wrapped up its 1988-89 season.

The North Halton ladies closing dinner is slated for Wednesday,

May 3 at 6:30 p.m. and all lady curlers are urged to attend.

Bill French skipped his team of Mary Ann Marling, Warren Smith and Delores Houghton to the club's Johnny Cornelius Trophy championship at the closing bonspiel two weeks ago and the annual family skate-off was also held that weekend.

## Atoms unlucky at Shamrock

Continued from Page 17 Peasgood tallying for Georgetown, along with teammate Gary McLean who notched his second of

the game. Mike Olsen assisted on Peasgood's goal while David Doole and Derek Legere earned helpers on McLean's second offering.

## High Flyer

Jason Buckles of Georgetown District High School flies over a tower on his skateboard. Jason was out Sunday in Georgetown enjoying the warm weather and stretching his body to the limit. (Herald photo)

## COMMISSION SALES

Take advantage of the many potential tax deductions available to commission salespeople. At H&R Block, we know which expenses are deductible. And we'll find you the biggest refund you're entitled to. We want to save you as much money as possible this year.

Don't be confused by the many tax law changes. The specialists at H&R Block always have the answers you need.

## CLASS ENVIRONMENTAL ASSESSMENT FOR MUNICIPAL SEWAGE AND WATER PROJECTS GLEN WILLIAMS WATER SUPPLY STUDY PUBLIC COMMENT NOW BEING ACCEPTED

The Regional Municipality of Halton, in conjunction with the Town of Halton Hills and the Ontario Ministry of the Environment is planning the above mentioned project, pursuant to the Environmental Assessment Act.

The purpose of the Glen Williams Water Supply Study is to:

- Determine the nature of any deficiencies in private groundwater supply.
- Identify and evaluate corrective measures.
- Assess impacts on sewage disposal systems, and,
- Recommend solutions.

The study will follow the Class Environmental Assessment for Municipal Sewage and Water Projects, as laid out by the Ontario Ministry of the Environment. Accordingly, public involvement and participation will be requested.

The study has been divided into three phases, which are:

- Phase I - Identification of the Problem.
- Phase II - Identification of Alternative Solutions to Resolve the Problem.
- Phase III - Examination of Alternative Design Concepts for the Preferred Implementation Plan.

If any member of the public or an agency or Ministry has a concern that cannot be resolved between themselves and the proponents, then the concern may be sent by them to the Minister of the Environment for resolution. If the concern is significant enough, a full individual environmental assessment may be required by the Minister.

### Public Information Centre

A Public Information Centre will be held from 3:00 p.m. to 8:00 p.m. on April 27, 1989 at St. Alban's Church Hall, 537 Main Street, Glen Williams regarding the above noted study.
