## CEMENT ACCOMMODATES NG FAMILY

Brick veneer topped with horizontal siding and shuttered windows adorn this three-bedroom, 1,328 square foot split level design. The weather protected entry opens to the landing which services the garage, back door and basement. Two handy coat closets are offered in the landing. Up the stairs is a large living room with masonry fireplace and dining room. The L-shaped kitchen, featuring abundant counter and shelf space, has ample room for a breakfast table. The three-piece main bathroom, with soaking tub, has direct access to the master bedroom.

The landing steps down to an unfinished lower level which offers 1,098 square feet for future development. Above grade windows allow plenty of natural light into this area. Potential for a family room, extra bedrooms or in-law suite can be accommodated. Rough-in plumbing for a bathroom and laundry facilities complete the lower level.

## Your Birthday

**BERNICE BEDE OSOL** April 19, 1989

Don't be discouraged in the year ahead if your big plans are inhibited by a few early snags. These obstacles can be overcome and you can open a path to success.

**ARIES (March 21-April 19)** In career situations today do not bank too heavily upon people who have proven to be lukewarm allies. These are the individuals who could prove to be your stiffest opposition. Aries, treat yourself to a birthday gift. Send for your Astro-Graph predictions for the year ahead by mailing \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-34-28. Be sure to state your zodiac sign.

**TAURUS (April 20-May 20)** Duties and responsibilities that you leave unattended today will weigh heavily on your mind. Instead of being plagued by guilt, do what's expected of you.

**GEMINI (May 21-June 20)** You may be better off today passing up a social arrangement where you'll have to cater to a big shot's wife or clients you don't appreciate. Your presence isn't apt to be missed.

**CANCER (June 21-July 22)** If entertaining at home today, don't put your guests in an awkward position where they have to arbitrate a domestic squabble. It could ruin the affair.

**LEO (July 23-Aug. 22)** Usually you are courteous and thoughtful in dealing with people from all walks of life. Today, however, you might treat subordinates in a demeaning manner.

**VIRGO (Aug. 23-Sept. 22)** Be careful today that you do not get involved in something where you have to risk a lot in order to gain a little. Gambles that are structured in this way may not be worth the returns.

**LIBRA (Sept. 23-Oct. 23)** There's a possibility a family member might resurrect an old problem today that will cause dissension in the household. Do your best to bury it quickly.

**SCORPIO (Oct. 24-Nov. 22)** Someone who tends to gossip may tell you something today about a mutual friend that is detrimental to this person's reputation. Subdue inclinations to pass it on until the facts are verified.

**SAGITTARIUS (Nov. 23-Dec. 21)** Unless you are careful today there is a chance that the folly of a friend could end up costing you money. Don't let an undisciplined person make any financial commitments for you.

**CAPRICORN (Dec. 22-Jan. 19)** In order to achieve two important objectives today, you will have to divest yourself of wishy-washy tactics. Success will be dependent upon boldness, focus and tenacity.

**AQUARIUS (Jan. 20-Feb. 19)** There's a possibility that you haven't learned the lesson you should have from a painful past experience. Today you might make a similar type of mistake.

**PISCES (Feb. 20-March 20)** This is not a good day to seek favors to help further your ambitions. If you are granted what you request, chances are it will have strings attached.

## Halfway to slam

By James Jacoby

Despite his worthless doubleton in spades, South rebid one no-trump to show his minimum hand. It would have been better to raise hearts immediately than to bid no-trump without the shadow of a spade stopper. As for North's quantitative raise to four no-trump, inviting slam, that was wishful and foolish thinking. Since South would have opened one no-trump with 15-17 points, the partnership could not have enough high cards to provide a sound play for 12 tricks. Furthermore, South might have trouble making even 10 tricks in four-no-trump. That was the case today, but declarer did manage to eke out his contract.

South won the spade lead in dummy, came to his hand with the ace of clubs and ran the jack of hearts. East won the queen of hearts and returned the jack of spades (just in case declarer had started with 10-x of spades). South then cashed dummy's queen of clubs and led a club back to his king, leaving West with the good jack of clubs. Now South played the 10 of hearts, hoping that the heart honors were split, but East won the king of hearts and played a heart back to dummy. That left declarer with only nine tricks, with a chance that the end position would create the 10th trick. Sure enough, South had no choice but to cash the remaining hearts and high spade, and play the losing spade from dummy. East won that trick and had to lead away from the king of diamonds, allowing declarer to make a trick with the queen in dummy.

James Jacoby's books "Jacoby on Bridge" and "Jacoby on Card Games" (written with his father, the late Oswald Jacoby) are now available at bookstores. Both are published by Pharos Books. © 1989, NEWSPAPER ENTERPRISE ASSN.
