March of Dimes surpasses goal

Totals have been tallied and the March of Dimes are happy to announce that they have surpassed their goal for this year's Ability Fund Campaign. \$515,721.89 was the total amount raised in the 1989 door-to-door canvass across Ontario. This year's total was \$9,000 over target.

More than 300 communities in Ontario took part in the 1989 campaign. The March of Dimes would like to thank all the volunteers who worked so diligently to help them reach their goal.

Each year the March of Dimes raises money to support three major services: Mobility Aids; Employment Training; and Independent Living Assistance. These services ensure that an adult with a physical disability will receive a needed wheelchair, or be

provided with the necessary training to re-enter the work force, or receive attendant care that allows them to live in their own home. Last year 1,514 disabled adults were provided with mobility aids such as wheelchairs, canes, walkers and prothesis that assisted them in leading independent lives.

Other services offered by the March of Dimes range from camping and recreation opportunities to a Post-Polio network. The March of Dimes would like to thank volunteers across Ontario for helping them to make these services possible.

The Ontario March of Dimes are working with disabled adults across the province to ensure that they are given every opportunity to lead a meaningful and independent life.

Ballinafad citizens mark 111th anniversary of United Church

By BETTY SOJKA
Ballinafad Correspondent
Reverend Carol Gierak gave the sermon on May 7 that marked the 111th anniversary of the United Church. The senior choir added to the celebration by singing a couple of lovely hymns. Despite the foul weather there was a good attendance which was enhanced by two special guests. James Kirkwood senior and James Kirkwood junior were present. Many residents will remember James senior as owning the feed mill and James junior as being born in Ballinafad to later become a United Church Minister. A potluck luncheon of sandwiches and tarts was enjoyed after the service.

The baseball diamond is really taking shape. The final grading is completed and the stone composition laid for the infield. The next step will be to plant the grass seed and to install the screening. Donations have been very kindly

received from the Georgetown Legion, The Lioness, and the Olde Hide House to name just a few. If you are able to contribute, please contact Jim Bailey at 877-6651.

The Ballinafad Ladies played their first game of the season on May 1. The ladies lost 6-4 to the Black Brigade, with both teams playing a tight game. Their next game is Wednesday, May 10 at M.Z. Bennett, in Acton. This league is still looking for players. Call Karen Smith at 853-2771.

The Georgetown Globe Theatre's production of Rodgers and Hammerstein's "Some Enchanted Evening" is now playing at the Community Centre to the delight of those attending the performances. Eighteen very talented singers kept the audience spellbound with the croonings of Dames! Baby, Don't Marry Me!, Wash That Man Right Out Of My Hair!,

Oklahoma! to name a few. The singing was accompanied by the terrific combination of a drummer, pianist, and guitarist. A wonderful hot buffet meal of chicken and lasagna was served. The bartenders made up special drinks for the show.

The landscaping project got a boost when Birchway Farms donated the plants to be used. Mr. Paul Schwartz and Rene Alber with helpers were at the Hall this past Saturday, to install the base for the bench. It will be a beautiful project when completed.
