Special Needs Drop-in

In recent weeks there has been a lot of publicity regarding the demise of the Physically Handicapped Citizens Affiliation. While we empathize with the loss of this valuable organization, we want you all to know that the Recreation Committee for Special Needs - North Halton is still alive and doing fine. In fact, we are getting bigger and better and have expanded our Drop-In Program to run twice a month and we will be hiring a part-time coordinator shortly.

Our Special Needs Drop-In Program operates the second and fourth Wednesday of every month from 12-4 p.m. at the Acton Legion and we have a full slate of fun and games, bingo, cards, crafts, leatherwork, special events and outings for disabled adults. Our upcoming program dates include: today, May 10, May 24, June 7, 21 and June 10 Fishing Derby at Burns Conservation Area.

Mark these dates on your calendar and be sure to attend. You will have a lot of fun and anyone is welcome to drop by. For more information call Shirley Raszewski at 875-1531 or Jeff Bitton at 877-5185 extension 262. See you there.

Get into lawn bowling

Fresh air, social interaction, strategy, safe exercise, any age, inexpensive, fun. Lawn bowling is one of the few sports that can claim all of the above. Contrary to public perception, lawn bowling is a game that can be enjoyed by both young and old alike. It is

easy to learn, yet difficult to master. Why not give it a try?

So you say you've never tried it? Why don't you enroll in beginner lessons now being set up by Halton Hills Recreation and Parks Department. In just four easy lessons you will learn to become a competent bowler from instructor Shirley Chaplin. Lessons begin May 30. Call 877-5185 extension 260 for more information.

Red Cross water course

The Recreation and Parks Department is offering a Red Cross Water Safety Instructor Renewal Course. This course is for instructors interested in being reinstated following a five-year absence.
