

# They had a blast at Bang-O-Rama

Nothing beats a good old-fashioned pony ride and kids kept the herd busy on Monday.

Chills and thrills abounded on the midway and this girl was obviously delighted with her air-sailing trip.

Everyone loves the ferris wheel - especially when Mom's along for the ride.

A popular new event at this year's Bang-O-Rama was the truck pull competition which attracted a large crowd to the grandstand on Monday afternoon.

Plenty of muscle was in evidence as C.H.I.C.K.E.N. club members strained in the tug-of-war contest, eventually won by the 'A Team' from Harrison Public School. George Kennedy's A Team and Glen Williams A's finished second and third, respectively.

This youngster was the admiral of her own ship as the kiddie rides proved as popular as ever in the midway.
