Fishing Derby today at Burns Conservation Area

On Saturday, June 10, the Burns Conservation Area will host a Fishing Derby for Special Persons. The program is co-hosted by the Halton Region Conservation Authority and the Four Seasons Anglers and Hunters Club of Milton.

Any disabled adult or child may register for the event. There are no entrance fees and complimentary refreshments will be served by the Optimist Club of Milton.

The Burns Conservation Area is a quiet natural area that has been developed for hiking, picnicking and fishing. The small

Town gives advice on liquor permits

The Town of Halton Hills Recreation and Parks Department, along with a local law firm, presented an evening workshop on special occasion permits at the Halton Hills Cultural Centre Wednesday night.

Those who paid \$10 to attend heard from John E. Schaljo from the law firm Helson Kogon Ashbee and Schaljo and Lorna Rankin, manager of education and communication with the Liquor Licensing Board of Ontario (LLBO).

There was a chance to ask questions and presentations were given on obtaining steps for a special occasion permit, the rules and regulations of the permit, special rules for volunteer organizations, civil liabilities, risk reduction strategies and knowing "how much alcohol is too much."

Those invited to attend the evening included hall owners and operators, facility managers and employees, bartenders, and anyone who sponsors a special occasion or volunteers to work at a licenced event.

pond located at the area is spring fed and provides some great trout fishing opportunities. A fishing ramp suitable for wheelchairs has been built along the rassed shoreline. On June 10, the pond will be stocked with 8"-20" Rainbow Trout, courtesy of Spring Valley Trout Farms of Cambridge.

Brad Roelofson, Security Supervisor for the Conservation Authority and co-ordinator of the event, says "Registration is limited to 100 participants and 65 have already signed up." He also indicated that members of the Four Seasons Anglers and Hunters Club will be sharing their fishing expertise and skills and will even have some fishing equipment on hand for those people not having any.

Prizes will be awarded for the first, largest, and smallest fish caught. There is also a tagged fish contest and several draw prizes.

The day gets under way at 10 a.m. and pre-registration is encouraged. Burns is located on the First Line in Milton, three miles east of Campbellville and four miles north of the Hwy 401. Registration forms and more information are available at the Administration Office of the Conservation Authority (336-1158) or the Mountsberg Field Office at 854-2741.

Men charged

Halton Regional Police have laid charges of uttering a death threat in connection with an incident occurring at a house in the Mountainview Road North area of Georgetown early Tuesday morning. Police report a 35-year-old Brampton man threatened to kill a Georgetown man, 24. He attended a bail hearing Wednesday at which time a court date was scheduled.

\$800 damage

Charges of mischievousness have been laid as a result of \$800 damages done to a two-year-old Red Oak Tree located in the Con. 6 area of Halton Hills during the evening of May 4. Police say four Georgetown youth all under the age of 17 allegedly drove a front end loader into the tree damaging it beyond repair. Three of the youths are scheduled to appear in court July 21, while the other is set to appear September 15.

Man injured

A construction worker was taken by ambulance to Georgetown and District Memorial Hospital after a wall

collapsed and pinned him to the ground at a Duncan Drive construction site in Georgetown this past week. Hospital officials say the 65-year-old Toronto resident, Anthony Garcia, is listed in stable condition. Police say the man was in a six-ft.-deep by ten-ft. wide hole when the accident occurred. The incident is being investigated.

Impaired charges

Police have laid charges of impaired driving after stopping a 1980 Chevrolet pick-up on the Ninth Line just north of Sideroad 10 early Wednesday morning. A 26-year-old Streetsville woman is scheduled to appear in court July 10.

Charges laid

Charges of impaired driving were laid after police pulled over a Georgetown man, 30, for a Highway Traffic Act violation at the Guelph Street, Sinclair Avenue intersection, June 7. A July 10 court date has been scheduled.

Window smashed

Someone smashed a four-ft. by three-ft. plate glass window located at George Kennedy Public School on Weber Drive in Georgetown during the early morning of May 3, police say.

Police Beat

Property damaged is estimated to be \$275. Police are investigating.

Windshield broken

Police report someone smashed the \$150 windshield of a 1980 International truck parked in an Armstrong Avenue factory parking lot during the early afternoon of June 2.

Car stolen

Charges of break and entering were laid in connection with the theft of a set of car keys and a 1982 Ford from an Adams Court home in Acton during the late evening of June 2. Police say a 17-year-old man and an 18-year-old man entered the home, stole the keys and took the vehicle from the driveway. Police found the damaged vehicle a half block from the residence.

Equipment stolen

Police say someone stole \$2,200 worth of electronic equipment from a home in the Sideroad 27 and Rural Road 5 area of Georgetown sometime during the day of June 7. Police are investigating.

Viewing platforms set for Credit Forks

Construction of a series of viewing platforms along the Credit River Gorge in Forks of the Credit Provincial Park will continue this summer following approval of additional funding from the Ontario Heritage Foundation.

In 1988, the OHF awarded \$30,000 to the Ministry of Natural Resources, Maple District, to undertake the first phase of the project. The recent grant of \$30,700 will enable completion this summer.

Forks of the Credit Provincial Park is one of over 100 public parklands located on the Niagara Escarpment, from Queenston Heights to the recently created Fathom Five National Marine Park at the tip of the Bruce Peninsula.

The park includes mature forests, rolling meadows and scenic escarpment cliffs. Its most prominent feature is the Credit River which cascades past the remains of an historic mill and power dam.

The new viewing platforms will be adjacent to the Bruce Trail along the crest of the escarpment, offering visitors spec-

tacular views of the waterfalls and Credit River Valley. Interpretive signs located on the platforms will highlight the special natural and historical features of the area.

The Ontario Heritage Foundation is an agency of the Ministry of Culture and Communications. It administers Ontario's Niagara Escarpment Trust Fund in co-

operation with the Ministry of Natural Resources, the Ministry of Municipal Affairs and the Niagara Escarpment Commission. The fund is used largely to acquire property for the Niagara parks system and for projects that will enhance public appreciation of the special resources of the Niagara Escarpment.
