## MOORE PARK SPOTLIGHT

After half a year in business, Andres Wines is still going strong. Located in the Moore Park Plaza, Georgetown's own wine store has high hopes for the summer.

At the moment, Andres offers a "Party Service Plan," which provides wine, wine glasses, and various trays of sandwiches and cheese, depending on what the occasion calls for. This is done in conjunction with a food store.

Also, after having a booth at the Elizabeth's Bridal Show in February, Andres started receiving wine orders for weddings. So far, manager Linda Hayes has completed six wedding bookings. Personalized labels are available for the bottles with fitting inscriptions. Linda needs at

least five weeks' notice in order to fill an order as large as providing the wine for a wedding.

There will be an emphasis on coolers this summer, and Andres offers eight different flavors. For the first time ever, customers will be able to "mix and match," said Linda. This will be good for those people who want to try four different coolers in a four-pack. Linda feels that this will be very popular.

Andres Wines' hours are 12-6 p.m. on Monday, Tuesday, and Wednesday, and 10 a.m. - 9 p.m. on Thursday and Friday. Saturday, they are open from 11 a.m. - 7 p.m., but they are hoping to extend those hours for the summertime, Linda said.
