PLANNO. 1188-1596

CIRCLE TOP WINDOWS ADORN A TRADITIONAL HOME

Quaint railed porch, distinctive windows and brick detailing adorn this four-bedroom family home. The main foyer spills to a living-dining room with warming fireplace. An efficient kitchen, with central preparation island, conveniently serves the breakfast bay and dining room. A spacious family room has a wide sliding glass door to rear patio. Access from the double car garage provides a direct route to the kitchen and eases unloading groceries.

Upstairs the bedrooms revolve around a railed gallery which views the foyer below. The master bedroom features a vaulted dormer window, roomy walk-in closet and three piece ensuite with shower. The three additional bedrooms share a main bathroom with large soaking tub.

The total finished floor space for this cozy home is 1,748 square feet.
