

Kids can learn kicks of trade from CSL pros

Soccer

By ALEX TOUGH

This weekend I had hoped to be in Scotland watching Canada's Under-16 squad in the World Cup Championships for that age group. However plans did not mature the way I wished and here I am still around. There are several Ontario based players in the team and for a change more than the BC contingent. It is such competition which Canada needs in order to foster the game and let us see what we are up against with other nations. Canada's preliminary round robin plays at Dens Park, Dundee with opponents from Nigeria (last tourney runners up), China and Argentina. The finals are at Hampden Park, Glasgow.

Players and coaches from the CSL's Hamilton Steelers, Toronto Blizzard, Ottawa Intrepid and North York Rockets are holding clinics July (Oakville July 17-21, Sheridan College) for boys and girls aged 11-15 at a cost of \$75 per

player. There will be performance evaluations, personal and high quality instruction and pro player appearances. Participants will be given a skills award competition crest, official T-shirt and there will be special awards from the CSL clubs. The camp will be repeated in Kitchener July 24-28. Applications may be made to the Ontario Soccer Association, 1220 Shepard Avenue East, Willowdale, M2K 2X1.

Georgetown Falcons, the young Peel-Halton league squad opened their campaign with a 4-1 tie, not a bad performance at all. The opponents were Miramar, which used to be a problem club, always in trouble with officials and officialdom. However they were well behaved on this occasion. The next match saw the Falcons entertain Mississauga Soccer Club and the locals took the points with a 2-1 victory, a fine result. This Friday the team hosts Burlington, which will prove to be a harder task according to Joey Clare, a leading Falcon member.

Bryan Turner reffed a mixed team game in the girls bantam division when one team, that of Dave Maloney, showed with only six players and the opposition had around 12 or 13 available. The

teams split up and Turner proceeded to ref and coach the players in the laws of the game. One item stands out. At an indirect free kick situation he raised his arm in the air to signify a 'two kick' play, (you all know that). Only one player on the field knew what his signal meant, and she played for Turner last season. The point illustrated is that here are players who have played for a number of years and do not know the laws of the game. Which brings me back to one of my points of last week - teaching, which should include the laws of the game as well as the skills and tactics.

The young Eaglets, Eagles of the Inter County, continued to win in the upper division with an impressive 4-2 win over the Mariners at Christian Field. Two goals in the first three minutes set the tone of the match and Mariners struggled to find their feet. Terry Talsma netted two, John DeVries and Jamie Walraven one each. Walraven and Peter Bergsma were also cautioned. Dave Chapman became the Mariners' leading scorer when scoring both goals. Marlin Travel won by 4-2 over the

stumbling Meteors. Rounding off the first division were Crown and Villa. Crown stole away with both points with a 2-1 win over the home team. Villa visits Mariners at Cedarvale at 8:45 this Wednesday in a battle for bottom place. Crown host Meteor and a top place clash is on between Eagles and Marlin at Christian. The latter two games have a 7 p.m. kick off.

In the second division United took Laurentians by 3-0 and Milton lost at home to Trexcon by 1-4 as Tam O'Shanter defeated Stingers 3-0. Ajax host Stingers at Alcott at 8:45 (time change here), Milton travel to Tam O'Shanter and United are due to play Team Four at Meadowglen but the field is still not ready and there could be a late change as Alcott and Cedarvale are fully occupied.

Canada's Under-16s lost their opener to Nigeria by 4-0, as China

and Argentina tied 0-0, leaving Canada in a tough spot already to qualify. The home Scots were held to a 0-0 tie by Ghana. The so-called third countries are developing fast and are no longer the pushovers they once were. Most interesting is USA winning 1-0 over Brazil. Shades of shocks are showing.

Local player Gary Morrow has been having some contract problems with the Steelers, hence his non-appearances so far for the club. Morrow, one of the CSL's steadier defenders surely cannot be left on the shelf too long. As it is, Steelers lead the East division by one point over Toronto Blizzard and Ottawa Intrepid going into Sunday 14 games. Hopefully, Morrow's position will be settled soon. In the West, Vancouver have a three point lead ahead of Calgary and they face each other in Alberta.
