

Peace Beat

Wallet stolen

Halton Regional Police say someone stole a wallet and some personal papers from a 1985 Plymouth van parked at Georgetown District High School on Guelph Street on Monday. The stolen property was valued at \$20.

Equipment missing

About \$15,000 worth of computer equipment disappeared from a business establishment located in the area of the Ninth Line and Sideroad 10 in Halton Hills, sometime between the early evening of June 9 and the next night, police say.

CB stolen

Police report someone entered a Georgetown business on Armstrong Avenue through an unlocked southside window and stole a non-functioning CB radio, camera and a pair of gloves sometime between the afternoon of June 10 and the morning of June 12. Value of the stolen property is estimated to be \$130.

Sign hit

Police say a 1988 Ford ended up in a ditch along Trafalgar Road north of Sideroad 10 after the driver, a 24-year-old Mississauga woman, lost control of the vehicle which slid and hit a sign, during the evening of June 3. Charges of making an improper lane change were laid in connection with the incident.

Charges laid

Police report a Georgetown man, 28, travelling southbound on Trafalgar Road in a 1988 Chevrolet took the Trafalgar Road exit and then changed his mind running over a highway sign, during the early morning of June 3. Charges of careless driving have been laid as a result of the incident.

Severe damage

A 1985 Ford driven by a 36-year-old Norval woman, was severely damaged following a two-vehicle collision on Winston Churchill Boulevard north of Steeles Avenue in Halton Hills during the early evening of May 30, police say. The 1985 Ford and a 1989 Ford, driven by a Georgetown man, 19, were both travelling northbound on Winston Churchill Boulevard when the Georgetown man attempted to overtake the other vehicle striking its left front end forcing the vehicle off the road. No injuries were reported. Police have laid charges of making an improper lane change.

Impaired charges

Halton Regional Police have laid charges of impaired driving following an accident on Winston Churchill Boulevard south of Guelph Street in Norval early Friday morning. A Brampton man, 36, is scheduled to appear in court July 24 in connection with the incident. No injuries were reported.

Man charged

Police seized a partial case of beer after stopping a 28-year-old Terra Cotta man who was driving his vehicle erratically on Sideroad 17 at Winston Churchill Boulevard in Halton Hills early Sunday morning. Charges of impaired driving were laid following the incident. A July 17 court date has been scheduled.

Fence damaged

Police say someone recently drove a vehicle through the fence surrounding a Halton Hills garage in the Sixth Line and Sideroad 5 area. The car was then abandoned in a nearby ditch. Police report the person climbed the fence to gain entry. Estimated damage to the fence was \$800. No estimated value of the damage caused to the vehicle was given.

Classic cars at Cedarvale

By MICHELLE ROULLARD
Herald Special

Father's Day is coming up on June 18, and what better way to celebrate it than going to see some beautiful cars? Classics Against Cancer will be held at Cedarvale Park, and will be showing various antique and exotic automobiles.

Classics Against Cancer is separate from Pioneer Days but the cause is excellent; all money raised will go towards the Cancer Society. There is an admission charge of \$4 for adults, \$1 for people under 16, and kids who are eight years or younger are free. Anyone 14 years or younger must be accompanied by an adult.

The cars assembled for the day are from the owners who wish to show their car to the public for a good cause. To enter a car into the show, there is a \$20 charge, all of which goes towards the Cancer Society, and each owner gets a

breakfast.

During the show, which will be held between 11 a.m. and 5 p.m. on Father's Day, there will be a People's Choice Award. A donation box is placed beside each of the cars and the people vote by putting money in the boxes, explained Neil Young, who has been busy organizing the show since November of 1988. The car which collects the most money during the day wins a trophy.

One of the biggest attractions of last year's show will be back this year. A 1929 Duesenberg Model J, owned by Terry Raddy of Toronto has been very popular. Mr. Raddy recently entered his car into the Pebble Beach Concours d'Elegance in California and won "best of show." Even back in the year that it was sold, 1929, it cost the same as buying three Rolls Royces, \$18,000.

Last year Classics Against

Cancer raised \$11,000 and this year organizers are hoping to "double it," Mr. Young said. He said that it is a lot of work to get it all organized, but definitely worth the trouble.

Other than beautiful cars, there will also be three live bands, giving their time free of charge for the Cancer Society. "Men without Hairs" with Edgar Thatcher, "Sudden Impact" with John McDonald, and the "Credit Valley Jazz Cats" who perform Dixieland Jazz music will be entertaining the crowd during the day.

Other attractions include the Chamber of Commerce's "Biggest Ice Cream Buffet in the World" which last made an appearance at last year's BIG celebration. The Kinsmen Kinettes and the Optimists will be providing food and helping to set up the event.
