**OCTAGONAL DINING ROOM HIGHLIGHTS
TRADITIONAL BUNGALOW**

Deep weather protected front entry, sweeping hip roof and low maintenance brick exterior adorn this three bedroom home. Directly off the main foyer is a unique octagonal shaped dining room with skylit ceiling and buffet nook. A spacious living room shares a large back-to-back masonry fireplace and built-in book shelves with the family room - an attractive feature wall. The open plan kitchen with centre cooking island and breakfast bar flows to the dinette and family room creating a large informal space. The lofty vaulted ceiling throughout this area accents the spaciousness. An entertainment centre is featured in the family room's built-in media wall.

The master bedroom, positioned away from the noisy traffic areas boasts a private garden deck and ensuite with walk-in closet, double vanity and whirlpool spa. The two additional bedrooms share a three-piece main bathroom with soaking tub.

The finished floor area is 2,320 square feet.

Send for Canada's largest plan book with over 300 designs, only \$9.95, including shipping.
