ELEGANT DESIGN OFFERS A CHOICE OF EXTERIORS

Elegance and style is the hallmark of this spacious four or three bedroom and den home. This design offers two distinctive exteriors, traditional brick with quoined accents or horizontal siding and decorative pillars. An arched entry leads to a sunken living room and adjoining dining room. Full height multipaned windows brighten this area. For more informal gatherings, the family room/kitchen offers a large comfortable space. The kitchen features a centre cooking island, walk-in pantry and ample counter space. Flowing from the kitchen is a family room with warming wood stove and sunny breakfast nook with bay window.

The master bedroom is an ultimate retreat. It features high vaulted ceilings, spacious his/hers walk-in closets and ensuite with twin vanity, raised whirlpool spa and shower. The additional bedrooms each with roomy wall closets share a three piece main bathroom with soaking tub. The finished floor area is 2,295 square feet.
