**CLASS ENVIRONMENTAL ASSESSMENT EXPANSION TO THE GEORGETOWN WATER SUPPLY ENVIRONMENTAL STUDY REPORT WELL NO. 22**

Notice of Completion of Environmental Study Report July 5, 1989

As a requirement under Ontario's Environmental Assessment Act, the Regional Municipality of Halton hereby notifies all interested individuals and parties that the Environmental Study Report (ESR) for the above-mentioned project has been completed. Subject to the comments received as a result of this Notice and the receipt of other approvals as necessary, the Regional Municipality of Halton intends to proceed with the construction of the above-mentioned project.

The purpose of this undertaking is to provide additional groundwater supplies for the Georgetown Planning Area, through the construction of a 2,250 cubic metre/day well, located near this intersection of Trafalgar Road and Lindsay Crescent. It is proposed to construct this well in the summer of 1990.

the ESR will be available for review and public comment at the following locations and times:

Regional Municipality of Halton
