PLAN NO. 0786-1739

**BOLD ROOF LINES
ENHANCE TRADITIONAL
BUNGALOW**

Stately elegance characterized by an unusual roof design, portico and large box windows makes this 1,803 square foot rancher a truly unique family home.

The expansive portico, which provides a weather protected entry, opens to a main foyer. The foyer spills to a spacious living room and cross hall dining room. The multipaned transom windows accentuates the living room's vaulted ceiling creating an atmosphere ideal for formal entertaining.

The informal area of the home revolves around a spacious kitchen, breakfast room and adjacent family room. The U-shaped kitchen, with abundant counter and shelf space is open to the breakfast room. Wide sliding glass door from the sundeck opens to the breakfast room. The large family room is warmed by a masonry fireplace.

The three bedrooms are positioned away from the noisy traffic area. The master bedroom features an ensuite with walk-in-closet and ensuite with shower. The two additional bedroom share a main bathroom with soaking tub.
