

ASTRO-GRAPH

BERNICE BEDE OSOL

Your Birthday

July 30, 1989

Three new meaningful relationships could be established in the year ahead. Instead of any of them being of a fleeting nature, they will all be durable and enrich your life for years to come.

LEO (July 23-Aug. 22) It looks like you might be rewarded at this time for something you've done in the past that was never properly acknowledged. Though delayed, the compensation will be just as sweet. Leo, treat yourself to a birthday gift. Send for your Astro-Graph predictions for the year ahead by mailing \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

VIRGO (Aug. 23-Sept. 22) A solution may be found today for a vexing social problem you've been unable to resolve. The intervention of a wise and loving friend will be very helpful.

LIBRA (Sept. 23-Oct. 23) You'll be motivated to be helpful to others today by your compassion and sense of duty. Even though you'll not harbor thoughts for personal gratification, your deeds will bring you benefits anyway.

SCORPIO (Oct. 24-Nov. 22) Someone who is extremely fond of you will be working on your behalf today to help

you attain something for which you've been hoping. This person will know how to get the job done.

SAGITTARIUS (Nov. 23-Dec. 21) Something you should be able to do better than the people you'll be involved with today is to take small opportunities and expand them into something much more worthwhile.

CAPRICORN (Dec. 22-Jan. 19) Your wisdom, as well as your reliability as a friend, will be at the disposal of a pal today who'll be in need of your help. Your thoughtfulness will not be readily forgotten.

AQUARIUS (Jan. 20-Feb. 19) You can conduct your affairs more effectively today if you operate in ways that do not call attention to yourself or your aims. The whole world does not have to know your business.

PISCES (Feb. 20-March 20) Teaming up with a reliable ally today in order to further a mutual interest looks like it will bear fruitful results. Don't do on your

own what can be done more effectively with a partner.

ARIES (March 21-April 19) An ambitious objective can be fulfilled today if you have the motivation to do so. Your chances for success will be accentuated if you use methods with which you are familiar.

TAURUS (April 20-May 20) Your greatest asset today is your ability to mingle comfortably and constructively with people whose cooperation is essential to your present aims. Something good could result.

GEMINI (May 21-June 20) Triumphs should come easily for you today in involvements of a domestic nature, be they a party, picnic, cookout or artistic changes in your home.

CANCER (June 21-July 22) There is a strong possibility you will have a meeting of the minds today with a person who is seldom in accord with your ideas or thinking. This could begin a new era in your relationship.
