PERSONAL

The world in the past has been ruled by force and man has dominated over woman by reason of his more forceful and aggressive qualities both of body and mind. But the scales are already shifting, force is losing its weight, and mental alertness, intuition, and the spiritual qualities of love and service, in which woman is strong, are gaining ascendancy. Hence the new age will be an age less masculine and more permeated with feminine ideals. If you would like to attend an informal discussion, a meeting will be held Sept. 6 at 7 p.m. Isabel Watson Room Acton Library or call 878-6138 or 877-9530.
