

Provincial All-Star Match

Fine showing for Ontario under-17 side

The Boys provincial all-star teams of the under-17 played in the National Championships over the past week at McMaster University in competition with the other provinces.

On Saturday evening a break from the Board meeting of the O.S.A. took place in popping down to see the main match. This was between B.C. and Ontario. Ontario pulled off a 3-0 victory to put the province well in the running for the gold medal placing. The result is a satisfying result.

The game showed that both teams had similar trendy coaching with both displaying the same tactics. On the ball, three defenders, three midfielders and four forwards. Off the ball, four defenders, four midfielders and two forwards.

In the end Ontario was better at the game, stronger at the game and with more physical strength than their opponents and the result came out right. Very few were impressed with the referee from Saskatoon, via Burlington originally, who was whistle happy in a prima donna style. Good referees are not seen or heard.

In the main, B.C. was more upset at his decisions and a couple cost the visitors a goal on each occasion, although had the team played to the whistle the goals may have been avoided.

There was some skills on show although not an entirely good and entertaining game, which would have been difficult considering all that was at stake.

The championship is also a try-out series for the national Canada Games team and suffice to show the new strength of Ontario some 13 players have been chosen in the squad of 20.

I understand that Tony Waiters will not receive the immediate post as the National squad and that Bob Lenarduzzi is to be appointed as the interim coach for the next few months. Apparently the final decision on the basic new permanent choice will be made during this period.

As you may already be aware the Falcons, Peel-Halton senior male team, fought their way to a creditable 2-2 tie with Brampton Eagles two games ago with only one substitute available. A good result under the circumstances as Eagles are a strong team.

Last Friday the lads were faced with undefeated Milton and went down 0-3 in the end. The little I saw had the locals giving as good as they were receiving at the time. Milton had a couple of fast raiders and looked a good outfit. I also recognized a few Inter County

stalwarts on the field. Unfortunately I had the game time incorrect and turned up with some ten minutes left for play.

The new rep team, the bantam girls, have been having a quiet time in print - so quiet that there has not been any since the team formation was announced. This was team policy I may add. The girls came through last week at Cedarvale with a 2-1 win over St. Catherine's.

I saw part of the beginning of the game and the 10 visitors were taking the game to the home defensive area. Towns' goalkeeper was called upon and dealt quite competently with the early pressure. However, St. Catherine's took the lead and Town equalized before the half, the winner coming in the second.

CRSC United senior ladies have been on a hot streak lately with four wins in a row, the last one being, I believe, 7-0 over Brampton, not an easy team by any means. The young squad is doing quite well as the season moves into its competitive period. The finals take place over 8-10 September in Bolton and John DeVries, Luc Bertrand and Bryan Turner are representing Georgetown as officials.

The Inter County have a discipline meet this week. Stingers failed to show for two games recently and are to answer questions on the matter. Crown and An-

chor player Grant Macdonald and United player John Archbold are to answer for red cards and Crown and Anchor for an abandoned game with Eagles. The committee will be busy.

In the meantime Marlin head the first division with 19 points after beating, guess who, the Mariners in a tight game by 3-2 and, yes, again, a late goal winner.

Another good soccer game with no luck for the Mariners with the result. Crown and Anchor left Christian field with a 4-2 win over Eagles and move into second place with 15 points and three games in hand over Marlin. Meteors are in third place after winning 5-0 at Villa, an almost unbelievable result the way the teams have been playing. The title is still open for grabs with Crown slight favorites at the moment.

Ajax defeated Trexcon 4-1. United won 2-1 with a late goal over Tam O'Shanter and Milton had a rare win in beating Laurentians 1-0, a fine effort.

DARTS

The Monday night league held such a large turn out at Time Out the meet had to transfer to O'Tooles: At the present time, Time Out, McGibbon, Copper Kettle and O'Tooles each have two teams which are likely to be entered for this coming fall/winter session.

As yet, no work from last season's Hollywood and Brackens lads. However, I understand that Brackens along with Kasper's the new house, reported to be Dickens, are interested.

Elected for the local organising are Pete Pickering, president; Ian Macdonald, vice-president; Alison

Colter, secretary-treasurer and Monica Southon, member. The start is changed to 7:45 for 8:00 p.m. and the format remains at eight singles, four doubles and two team games for a fourteen game match.

Team registration is to be not later than 1st September and a minimum of 8 players by 1st October. Player fee for the season is \$35 and house fee is \$125 (same as last year). There is a captains' meeting at McGibbon at 7:30 p.m. on Monday, Aug. 21. Wednesday hosts a captains meeting at 8:00 p.m. for the Industrial league.
