Lockwood sets game scoring standard

By COLIN GIBSON

Play resumed Sunday, after a week's layoff, in the Georgetown Men's Flag Football League and the rest may have done the previously lurching Dairy Queen crew's offence a world of good as the defending league champions thumped an outmanned and disorganized M and M outfit, 50-5.

Gary Lockwood once again piloted the Dairy Queen offensive gunners by scoring 34 points - a new league record for individual single game scoring.

In other tilts, Corrigan had an easy time disposing of Plus Welding, 35-12; Kerry Kitchens humbled a strangely flat Glen squad, 27-9 and the Longhorns toyed with Muscle Works before coming out on top, 27-6.

Lockwood counted 20 first half points against M and M, on three touchdowns and a two-point convert as the red and white team built up a 34-0 first half lead.

He added 14 more second half points on two touchdowns and a two-point convert to set the new league single game scoring standard.

Lockwood's 34 point output allowed him to move into first place in the league's scoring derby ahead of Longhorns Gary Hulbert. Ironically, the league's old single-game scoring record of 28 points, was set by Longhorn's, Jim Lindsay several years ago against Dairy Queen.

Hal Hulme scored six points on a nice interception return. Howie Hulme scored a major. Randy Lunn had a two-point convert and Steve "Grizzly" Crossman collected a two-point convert to round out the winners' scoring.

The Plus Welding defence was baffled all game by the Corrigan passing attack, orchestrated by strong-armed quarterback, Pat McKinnon.

Corrigan led 23-6 at the half then coasted to the 35-12 win.

Al Pelland, proving to be a threat to score every time he gets his hands on the ball, scored 18 points for Corrigan. Brad Ferguson played another strong offensive

The money will be used to help defray expenses when Bruno journeys to Vancouver this weekend to compete in the National Games for the Physically Disabled scheduled through Aug. 27. Bruno, who officiates in the Georgetown Men's Flag Football League, suffered severe head injuries in an industrial accident three years ago. He set four Canadian records while competing in the Ontario Games for the Physically Disabled in July. The league's member teams more than matched the \$250 donated by the executive committee. game, chipping in 17 points.

Kevin Gillespie accounted for all the Plus Welding points.

The Glen squad should have been concerned going against Kerry Kitchen as a win would have given them sole possession of second place in the league's "B" Division and provided a bit of breathing space ahead of the hard-charging Corrigan gridders.

Instead, the Glen fielded a patchwork team and was never really in the game. Kerry Kitchens opened up a 14-3 halftime lead and added 13 second half points to salt away the win.

Doug Pembleton returned to take the quarterback reins for Kerry Kitchen and tossed three touchdown strikes to Jim Taggart. Mac Roberts scored six points for the winners with Howie Cram converting three of the majors for three points.

Shane Hillock scored the lone Glen major with Sean McQuarrie adding three points on a field goal.

Muscle Works again had problems getting a full team on the field but Longhorns appeared to lack the killer instinct in rolling to their tedious 27-6 win.

Longhorns were up, 13-0 at the half and without fanfare, scored 14 second half points to assure the win.

The scoring was spread around the winner's lineup, with Gary Hulbert, Jim Lindsay, Bob Davey and Wayne Dole scoring majors. Dave Paterson rounded out the Longhorn scoring with a field goal.

Louis DePaoli provided the only bright light for Muscle Works with his touchdown romp.

In games Sunday at the Georgetown High School field, Plus Welding takes on Kerry Kitchens at 8:45 a.m.; Muscle Works hosts M and M in a 10 a.m. start; the Oldtimers are scheduled to go against Longhorns at 11:15 a.m. and in perhaps the most interesting clash of the day, Corrigan challenges Dairy Queen at 12:30 p.m.
