

Life's a beach ... at Fairy Lake

...And they all came tumbling down. Seen here are Mississauga resident Bill McGuinness trying to support friends Rich Prichett, Nicole Simpkins and Julie Nelson while they do their own version of Italy's Leaning Tower of Pisa at Fairy Lake, recently.

Now you see it, now you don't. Rick Prichett, above, and Julie Nelson, below, learn that catching a frisbee requires first and foremost that you open your eyes. (Herald photos by Ben Dummett)

Hulk Hogan and Randy Savage they're not. But Bill McGuinness (left) and Rick Prichett put on their own version of Grand Prix wrestling for a sun soaked audience at Fairy Lake recently.
