### Nightfall on stage as "rising stars"

Homegrown rockers "Nightfall" recently played in front of what was probably the largest audience it has appeared before during the band's 13 month life span. The band appeared on Canadian National Exhibition Heritage stage Thursday night as part of the "Rising Star '89" contest.

The group is one of 96 acts that moved through the preliminary rounds and moved into the second round. The contest is the first step to moving from a garage band to a serious club act, the members say.

"We entered as much for the experience as the exposure."

"Nightfall" is Dave Haffey, lead and rhythm guitar, Mike Whaling, also lead and rhythm guitar, Trevor Kemp, bass guitar, Greg Hagan, drums and Tim Tibbetts, lead vocals. All except for Greg, who lives in Acton, are from Georgetown.

The group's music ranges from Boston to Guns and Roses. However, the members are planning to introduce some of their originals. "We've just completed

working on our first single entitled "I Want it Back," which they describe as a melodic rock piece with a pick-up ending. The composition is a group effort, members say.

The group has appeared publicly twice before the "Rising Star '89" contest. Both appearances were benefits in support of Georgetown Open Door Youth Centre and the Drug Abuse Committee.

The group's goals include writing more originals and breaking into the Brampton club circuit.

If you have been in the branch in the last few weeks, you have read the following:

**What Kind are You?**

Someone once said the membership of every club is made up of four kinds of bones:

There are the wishbones: Who spend all their time wishing someone else would do the work;

There are the jawbones: Who do all the talking, but very little else;

Next comes the knucklebones: Who knock everything else that everybody tries to do;

And finally there are the

backbones: Who get under the load and do the work.

What kind are you?

There are tickets available for the birthday supper on Sept. 16. See your executive.

As mentioned two weeks ago, there is a wedding Sept. 2 for which

we need help. Contact Marj Tutty at 877-0618 or Cathy Watson if you can help in any way.

Flo Walters is still in the hospital in Georgetown. She would appreciate visitors and cards.

Remember Sept. 21 is our meeting.

# Canadian - U.S. Legions meet

By JIM HAYES

The branch had the pleasure of greeting our American visitors from Post 40 Plymouth, Massachusetts at a dinner on Friday night in the branch auditorium. On this occasion a scroll was read from the prime minister, the Honourable Brian Mulroney to Branch 120 and Post 40 jointly, congratulating them on developing and maintaining such friendly relations over so many years.

On this occasion a most unusual gift was presented to the branch by our visitors, a picture of the harbour at Plymouth, with the stars and stripes, and the maple leaf in the foreground, flying in the breeze generated by a tiny electric fan. This was most warmly received by Branch 120 president Hank Russell, on behalf of the members.

On Warriors Day, for the first time, Post 40 marched with Branch 120 in the legion contingent at the C.N.E. They had previously marched as a foreign unit, with considerable success in the awards dept. - best colour guard, etc.

The visit as usual all to brief, ended with the Sunday morning breakfast at Branch 120.
