

Carrie has the Judge's eye

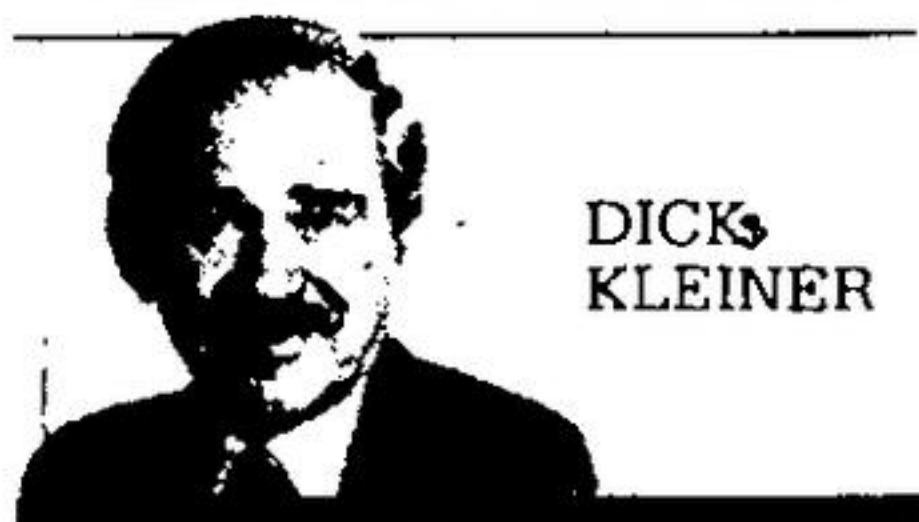

Q. My friend and I would appreciate your help in settling a bet. It concerns a favorite actor, Judge Reinhold. My friend has it in his head that he is married to Phoebe Cates. I think he's married, but not to her. Am I stuck watching war films or does he have to watch my mysteries? — M.A.C., Kalamazoo, Mich.

A. Tune in the mysteries. Mrs. Judge Reinhold is a woman named Carrie Frazier. It was Kevin Kline who married Phoebe Cates.

Q. I've been watching "MacGyver" for months, but I've never been able to figure out what his first name is. Also, is Richard Dean Anderson, who plays MacGyver, related to Richard Anderson of "The Six Million Dollar Man"? — A.B., Houston.

A. MacGyver is one of those rare individuals, like Cher or Lassie, who only has one name. No first name. And the two Andersons are unrelated.

Q. I am curious as to whether Daisy Keith, on "Heartland," is related to Brian Keith, who also plays on that show. — A.H., Rowleburg, W.V.

A. Yes, Daisy is Brian's daughter. **Q.** Could you please tell me something about Maureen Stapleton. Is Stapleton her real name? Stapleton was my mother's maiden name. — V.J.E., St. Joseph, Mo.

A. Maureen Stapleton (her real name) was born on June 21, 1925, in Troy, N.Y. She is primarily a New York stage actress, and one of the best. Her movie and TV career is limited by the fact that she refuses to fly. If you want to check your relationship, her father's name was John P. Stapleton, and her mother was Irene Walsh Stapleton.

Q. I was wondering about Patrick Swayze. Is he married — and, if so, who is his wife? Is she an actress or someone he met who is not famous? — D.S., Killeen, Texas.

A. Swayze's wife is named Lisa Niemi. She is an actress, although not yet a famous one. He met her when she was studying dance with Patrick's mother, a noted dance teacher.

Sunday treat

The ice-cream sundae was first made in E.C. Berner's ice-cream parlor in Two River, Wis., around 1890, according to The Kids' World Almanac. One of Berner's customers suggested that he pour chocolate syrup over a scoop of ice cream in a dish. This ice-cream treat was a hit but was originally sold only on Sunday, hence the name.

The Great Lakes

The Great Lakes form the largest body of fresh water in the world and, with their connecting waterways, are the largest inland water-transportation unit. Only one of the lakes, Lake Michigan, is wholly in the United States, notes The World Almanac. The others — Lake Superior, Lake Huron, Lake Erie and Lake Ontario — are shared with Canada.

Q. How did the name Hollywood originate? We always see the Hollywood sign on the hills above Hollywood and always wonder about the name. — G.B., Grand Rapids, Mich.

A. The developer of the real estate tract that became what is called Hollywood today was a man named Horace Wilcox. In 1887, when he bought the land and began developing it, he named it after the Ohio estate of some friends of his wife.

Q. Can you please tell me how old Kitty Wells is? We have enjoyed her records for many years and are curious about her present age. — Mrs. A.L., Pottsville, Pa.

A. Kitty Wells was born on Aug. 30, 1919.
