Fall fair will be alive with excitement

Sunday, Sept. 10 the Georgetown Fairgrounds will be alive with music, exhibits and competitions.

In the agricultural building a vast assortment of home baking, jams, pickles and canned fruit as well as hand-crafted knitting and sewing items are beautifully displayed for viewing and judging.

The junior exhibit gives young people a chance to exhibit with pride their artwork, baking, flower arranging and sewing.

The Kinsmen "Proud to be Canad'an" prize list has categories for children three years of age and up. The fair holds a special excitement when a child knows that his or her craft work is on display for all fairgoers to see. While some categories offer prizes for simple artwork or items made from house old articles, others give children of varying ages the opportunity to be truly creative. Each year the judges are impressed by the quality and effort the children put forth in their entries. The complete children's prize list is included in the Fair Prize Book available at stores throughout Halton Hills and at the libraries.

By the time you've checked out the exhibits and booths and said "hi" to Wilbur the Purple Pig it will be time to get a seat for the 1989 Farm Olympics. The first six teams to register will compete for the 1989 title.

After a few rides on the Fabulous Conklin Show Midway it will be time to head on over to watch the Lincoln Leapers.

The Lincoln Leapers are an energetic lively group of young skippers who represent the town of Lincoln, the Lincoln County Board of Education and the Heart and Stroke Foundation of Ontario.

The team has 31 members ranging in age from eight to 18 years. They are currently the World Double Dutch Champions and the show is sure to thrill one and all on Children's Day at the fair. The show features single rope tricks

Leverette, said the board feels fortunate they have been able to hire someone who exemplifies the same kind of talents her predecessors showed.

As for Star McGuire, Mr. Leverette said the board is sorry to see her go but wish her luck in her future endeavors.

Ms. McGuire is moving to Guelph, where she will pursue a masters degree in the social work

and family counselling field at the University of Guelph.

"We are pleased she was accepted in such a difficult program," Mr. Leverette said.

Only a small number of applicants are accepted into the program, he said. "It speaks well of her talents."

NOTICE OF INTENTION TO DESIGNATE

TAKE NOTICE that the Council of the Corporation of the Town of Halton Hills intends to designate "Goodlet's", located at 86 Main Street South (Georgetown) as a building of architectural and historic interest under Part IV of the Ontario Heritage Act.

REASONS FOR DESIGNATION

"Goodlet's"

Built by Dougal Reid in 1879, it was operated by his descendants as a hardware store until 1945, at which time it was purchased by James Goodlet whose descendants operate the store today. The building is one of the oldest structures on Main Street only predated by the McGibbon block.

Architecturally, the building is unique to Georgetown. Its entire facade is limestone, with cut limestone, rock-faced quoins on each side. The windows on the second and third floors are 2 over 2 double hung with semieliptical heads. The metal window, heads and brackets and the metal entablature and brackets distinguish the Main Street face. The coursed rubble stone, south elevation, gives character to the alley linking Main Street South to the rear parking area.

Any person may, within thirty (30) days of the first publication of this notice, send by registered mail or deliver to the Clerk of the Town of Halton Hills, a notice of his or her objection to the proposed designation, together with the reasons for the objection and all relevant facts.

If such notice is received, the Council for the Town of Halton Hills shall refer the matter to the Conservation Review Board for a hearing.
