Final games determine playoff positions

The last regular season games were played last week in the Georgetown Ladies Powderpuff League.

However, because of the closeness of several teams, three playoff games will be held in order to determine playoff positions.

The league's wrap-up tournament begins Friday, winding up Sunday at the Fairgrounds.

All 12 teams will be vying for league championship hardware. Here are the results for last week's action.

Life's a Peach 16 Blue Lite 11

The Peach kings vaulted two spots in the order with this important win over one of the league's quality teams.

Bornie Schell led the charge with a terrific home run to deep left field.

Six other Peach girls had triples including Patti Sunnucks and Debbie Titus. Debbie Knoepfli and

Laurie Henson also held the hot stick for the Peachy gals.

A good team effort, overall, with excellent hitting, according to coach Paul Titus.

For Blue Lite it was a matter of going through the motions as hopes of grabbing top spot disappeared the previous week.

The bright spots for the Light brigade were big doubles from the bats of Debbie Tatham, Jeannie Brookes and Shaaron Cater. Watch for this club to be tough in the playoffs.

Half Croc'd 19 Red Sox 10

Inconsistency has plagued Half Croc'd all year.

One game they resemble the powerful Toronto Blue Jays, the next, the Maple Leafs.

In this game they were clicking on all cylinders as they stung a game, Red Sox club.

Linda McClure went 4-4 at the plate with a massive home run to right field. Goldie Cash put on her best game face and stroked out three nice hits.

Excellent pitching by Sandy Robinson and Julie Ferraro helped keep the Sox off balance.

Half Croc'd had another player go on the disabled list as Lori Sinneave broke a finger. Get well soon, Lori.

The Red Sox fought tooth and nail in this contest but came up just shy.

Jean Puckering and Doreen Dobbin continue to pitch well for John Warren's hard-luck Red Sox.

Shady Ladies 17 Roger's Dodgers 10

If Shady Ladies hope to capture

the '89 crown, they'll have to get a performance like this one.

Plenty of clutch hitting and good consistent pitching carried the Shady Ladies to a convincing win.

Carol Deant and Melanie Hewson bashed out homers to pace Al's gals. Jean Turnout legged-out two triples and scored two runs to back up the stellar pitching of Ev Metler and Marie Grootjen. This could be the team to beat if they play anywhere near their abilities.

For Roger's Dodgers, the top of the batting order supplied all the highlights. Lori King, Pauline Cawood, Laraine Tarzwell and Penny Butterworth combined for nine hits and six RBIs. Laraine bashed out a triple and a double to help her own pitching cause. This Dodger club has lots of talent and could pull off an upset or two in the playoffs.

It's Not Easy Being Green 15 Pink Cadillacs 16

Pink Caddies continue to impress with a big victory over rivals, It's Not Easy. Dawn Broadbent continues to imitate hubby Ardy at the plate with some solid blows.

Sherri Diegel crunched a triple and Betty Fendley had her good stuff working on the mound.

If Bolt and Bod can get the girls enthused, they have a good shot at taking it all, but it will be tough without a full team effort.

Another team with enormous potential is, It's Not Easy. Coach, Bert Tripp, has to get down to business if he hopes to end the roller coaster year on an upnote.

Players like Diana Tripp, Sue Williams and Robin Richardson have to lead the way if the Greenies are to be successful. In this game they came up one run short in a lively and controversial contest.

Raisin Hell 6 Dirth Shirts 5

For some reason this could be a preview of what may come in this year's finals. Both combine good pitching, solid hitting and speed to win.

In this game, the difference was Carol Spiteri who mowed down ten Dirty Shirts with strikeouts. This girl can be awesome and watch out if she's hot this weekend. Maxine Presseault also gives Bob's broads added pitching prowess.

Jane Romp was romping outfield and made several fine catches defensively. All girls were exceptional according to coach Bishop.

Season champs, Dirty Shirts, were still celebrating in this game and Raisin Hell caught them with their pants down (what a sight).

Jen Reynolds slugged a two-run homer and Tammy Lockwood stroked a triple for the Shirts.

Moose, Boomer and Craig are to be commended for coaching this team to a fine season. However, all the teams will be gunning for them in the playoffs.

If history holds true then the Shirts are going to be in tough if they want to claim that elusive double.

The score of the other game, Travelling Blueberries and Blue Zone wasn't available. However, it is known that Lois Osborne cranked a homer and Elaine Moreland swiped five bases.

Karen Bottomley and Diane Saunders had three hits apiece to lead the Berries to the win.

While Dirty Shirts won the league championship, they will be hard-pressed to win the playoffs if history is true.

It is highly unusual for the first place club to come through in the end. Look out for an upset or two at the Fairgrounds this weekend.
