DR. GOTT

**PETER
GOTT, M.D.**

Last September, in a fit of questionable judgment that was undoubtedly brought on by the hot weather, I wrote a column of medical puns. I whimsically suggested that if readers wrote me their own versions, I might have enough material to do another column. I received a deluge of replies; so many, in fact, that I had to be selective with the list below. So, thanks to all you people with wonderfully bizarre senses of humor, here is Dr. Gott's Second Annual List of Medical Terms for the Layman.
