These George Kennedy school students (left to right) Kelly Truman, Nicole Glendhill, Stuart Scotford and Paul Farmer were just four of the 1,000 Halton Hills Grade 4 and 5 students who attended the annual Optimist C.H.I.C.K.E.N. Rally at the Memorial Arena in Georgetown Thursday afternoon. Mayor Russ Miller, Halton Regional Police officers, school board trustees and the club's mascot were all on hand to talk with the students about the evils of drugs.

## A winner for auxiliary

By FLO CARSWELL  
Legion Auxiliary

The turn out for our meeting last Thursday was disappointing but I guess with the weather staying so nice our members have not got into the mood for fall projects.

The District Euchre held in Milton on Saturday provided us with one winning team. Team "A" with Mae Tost, Floss Tracey, Vi Hewett and Jean Rochier placed third and will be going on to the next level which will be played at Norwich.

As mentioned at the meeting our sports officer Peg Lewis asks all captains of teams in all sports call her and give her an update on who is on your team. Peg is anxious to have her records in good shape as quickly as possible so please give her all the co-operation you can. It helps you as well as her.

Through the grape vine I have heard that Leona Middleton has been in hospital recently, she is home now and feeling much better. Flo Walters is still resting in our hospital but is perky and talkative when Mae goes in to see her.
