

Time Out and O'Tooles right on

MONDAY, HALTON LEAGUE
Time Out I and O'Tooles I continue their form with wins to retain an equal share of first place. Time Out visited Station House and played solidly if not spectacularly to an 11-3 victory. McGibbon girls tried their best to hold out against O'Tooles and eventually went down by the same score.

Copper Kettle's A and B teams had a close match before the A team came out on top by 8-6. McGibbon boys defeated O'Tooles 12-2 to suggest an easy time of it. A long hard tussle developed at Time Out II before the home side took Kaspers by 9-5.

Two weeks in a row Ron Scarlett has shot four scores over 130, the high score qualifying mark minimum. Dave Scutt, a new player to the league, also had four efforts over the mark. Larry Varey came in with a high finish of 102 only to hear that Paul Kirby bypassed him with a 116 close. Several players scored over 130, including Helen Reid - playing for McGibbon girls this season.

Copper Kettle A lie in third place followed by McGibbon boys. It is far early in the season to talk of championship possibilities as the oppositions to date are no indication.

However, of a little note is the fairly good showings of Time Out II and Kettle A with newcomers Kaspers scoring a few points already.

WEDNESDAY INDUSTRIAL LEAGUE

The second division have lost at least one team through folding and possibly another. Last week's game sheets are confusing to this scribe.

Unknowns have dropped out and Rebels may have dropped out. Independents' Jim Franks led the team to a win over luckless Bandits and may head the division. Bandits only had three players and had to play four sets with a dummy player. Franks recorded a high score of 118.

The inconsistent Power of Pain took six sets from Inter County for the win. George O'Neill and Rob Poyner each had four opens and a

close. Luke Heikamp had four starts and two closes with Dave Tomlinson having a three-one night. These in the Panthers odd game win over Aces. Henry Graham had three finishes. Lloyd Westlake opened with 102, Tomlinson finished on 96 and John Burke shot 140.

In the first division Gasketmen are creeping ahead and lead the way at this early stage of the season. A large seven game margin is a little clouded by their opponents, Ensigns, only having three players, another four game dummy situation. However, a team still has to close the sets and Gasketmen did just that - eight times.

The players are hot right now and several top scores were recorded. Bruce Hope had three opens and Rick Harden five closes. My lot, still without my presence, Snowjacks Hustlers are four points off the pace and only squeaked past High Rollers by the odd game, Rollers taking the last two sets. Hunter Carroll opened with 112 and Ed Kouyoumjian with 106 to keep the hot darts going for Rollers, who

also had quite a few high scores. Joe Cairns and Brian Beaumont featured in four of the five wins for Hustlers. Golden Flights' Laurie Hopkins had a fair night. Four starts, one of 160, and a finish is not bad going. Al Murphy had three starts. And yet the team lost by five sets to Exports, no details from the winners.

Steepprock are either slow beginners or finding it hard in the top section so far. They are closing the gap in their matches and a one game loss to experienced Westenders is last week's result. Gary Rodda's three-three night was a good effort for 'Rock. 'Enders Dennis Thorogood lived up to his name with five starts, a finish and scores of 135 and 140. Eric Fuller assisted with three starts and two closes.

Acadian Pools put up some impressive stats and still lost by five to Bulldogs. 'Dogs just gritted their teeth and battled to victory. Grant Richardson had four starts and the team recorded five high scores.
