PLANT ENGINEER
Polymer Composites

The ongoing need for technology and ideas in the field of reinforced plastics and composites sends us to the market for a qualified Plant Engineer.

We are expanding at our central Peel location with new equipment and processes.

Process engineering, maintenance, machine shop experience with a minimum of three years work in the field, supervisory skills and flair for practical solutions are required. We are seeking Mechanical, Chemical or Electrical qualifications suited to manufacturing.

Send your resume in confidence to Ian Graham, President or Don Neff, Plant Mgr.

GRAHAM PRODUCTS LIMITED

Requires A

DEVELOPMENT OFFICER

As Development Officer for the Town of Halton Hills you will be part of the DEVELOPMENT TEAM in an exciting, growth oriented environment. Your duties will include co-ordination of Field Operations ensuring Municipal Standards are attained, representation of the municipality in meetings with Developers, other Agencies, Consultants, and the Public and provision of technical input for the review and comment on Engineering Submissions for Development Proposals.

As the best candidate, you will have a Diploma in Engineering Technology and be eligible for membership in O.A.C.E.T.T. Your three years of experience in Municipal Design or Subdivision Engineering include a working knowledge of current construction practices and standards.

Salary for this position is presently under review and will be commensurate with capabilities and experience.

Apply in confidence to the undersigned with a complete resume of experience and qualifications by 4:30 p.m. on Oct. 16, 1989.
