

# Time Out claims spot

**Monday: Halton League**

Time Out No. 1 are back in a familiar spot, alone at the front of the division. However, it is very early in the season for any complacency and no team can really look at its spot and feet complacent or downhearted in the least. Yet look at second place - Copper Kettle A, mostly new players compared with last season. McGibbon lads and O'Tooles No. 1 follow close behind.

There were five maximums in the play, Ron Scarlett, Time Out; Rick Harden, O'Tooles; Dwayne Makby, Station House; Gary Roda, McGibbon and Jon Brown, Copper Kettle. Ian Cooper shot 177, Jamie Frank 156 and several 140's were fired in. Scarlett and Harden each had two as did Ian McDonald and Pete Pickering and Kavan Drumm had three of them. Sheila Hicks popped one in last week, which I missed. There were certainly several hot shooters last Monday.

The closest match was between O'Tooles No. 1 and Time Out No. 2 where No. 2 came out on top by two games. The singles were evenly divided and also the doubles and the visitors took the four man teams as the home team struggled to close out. Kettle B managed to win two singles with Jon Brown

and Rick West then Brown teamed with Ashley Windsor, a former Yorkshire County cricketer - and Georgetown in recent years, for the only other point. A strong showing for McGibbon lads coming back to their best form.

It was the Maltby/Harden show down at the Station House as the two players put up impressive stats in House loss to the visitors by 4-10. A big lead was established in the singles and the No. 2 from O'Tooles finished well. Leaders, Time Out No. 1 led all the way with solid throwing without being spectacular. Newcomer Rich Rintjema was the only pointwinner for Kaspers in this match.

It is a return engagement this Monday past.

**Wednesday: Industrial League -**

So far the leading stats in the Industrial League are as follows. High start, first division - Pete Pickering, 160; second division - Jim Franks 116. High score first division - Laurie Hopkins, 160; second division 141. Dave Chamberlain. High closes are, Pickering 118 and Dave Tomlinson 96.

Already this early in the season and we pin point a crucial match. That between league leading Gasketman Cutters and Snowjacks Hustlers. Well, the first couple of

sets produced a little nervousness from both teams and broke even. After that, Hustlers took control and ran away with the remaining sets for an 8-1 win. Rick Harden hit two 140's and tons and threw high scores for Cutters and the support just was not there consistently.

Rod Beaumont also fired a couple of 140's and Ron Scarlett was almost unbeatable in closing out. It was a good and sporting match and Cutters will come again. Snowjacks Hustlers take over the lead and Cutters drop one. Westenders move into third with a 7-2 win over Bulldogs.
