

Sunny Acres Midgets impress in early season

Sunny Acres Farms major midget hockey team continues to impress in early Tri-County play and Wednesday night, in a game played in Dundas, the Georgetown crew wrapped up a 7-2 win to run their early-season record to 3-0-1.

Today (Saturday) the Sunny Acres squad travels to Chinguacousy, while Sunday, 4 p.m. at Gordon Alcott Memorial Arena, the Georgetown pucksters play host to Orangeville.

Team management is stressing the "Team" aspect of the game to the 1989-90 edition of the major midgets and the concept is paying off in victories.

Georgetown led 2-0 after the first

period and turned on the after-burners in the second stanza to move comfortably in front 6-1 after 40 minutes of play.

The teams traded goals in the third period to run the final count to 7-2 in Georgetown's favor.

Brad Tutt played a strong all-round game for Sunny Acres, scoring twice and picking up an assist.

Mark Lorito also scored a pair of Georgetown markers.

Defenceman Rob Lang made his presence felt and notched a pair of goals as well as an assist.

Rich Bond scored the other Georgetown goal.

Also collecting assists for Sunny

Acres were Rob Boyle, Trevor Elinesky and Mark McIntyre.

The Sunday afternoon 4 p.m. clash with Orangeville at Gordon Alcott Memorial Arena should be highly entertaining, considering the rivalry between the two teams.

Rebel gridgers trounce Elgin

The Georgetown District High School junior football Rebels served notice they could be a power to contend with come playoff time, by thoroughly outclassing Elgin High School 27-0 in a Halton league game played Wednesday at GDHS field.

If anything, the Rebel coaching staff took pity on the visitors and substituted freely throughout the second half of the game.

Georgetown led 14-0 after the first quarter and headed to the sidelines at halftime enjoying a comfortable 27-0 lead.

With most of the team's first-stringers sitting out the second half, the Rebels were still able to dominate Elgin in the second half.

The Rebels ran at will, over, around and through the Elgin defenders as the offensive line

came up with a strong game.

Jeff Delury scored two majors for the Rebels, Adam Hagan scored a touchdown, as did Trevor Elinesky. Chris Crawford had three points on three successful converts.

Delury, Elinesky and Hagan saw double duty on defence and made their respective presence felt with some crunching hits.

The Rebels record now stands at 2-2-1 with the final league game scheduled for Wednesday at Burlington Central High School.

All teams in the Halton junior football league qualify for the playoffs, scheduled to begin Nov. 1.

Duplicate bridge

Pat and George Farrow emerged as the No. 1 winners in this week's Duplicate Bridge play at the Georgetown Branch 120 Royal Canadian Legion.

Elsie Whitham and Norma Maynard were the No. 2 winners, while Adele Glavicic and Jack Kaarsemaker finished as the No. 3 winners.

Duplicate Bridge sessions are held every Monday afternoon, starting at 1 p.m. at the Georgetown Legion, located on Mill Street.

Star Fuels frustrated

The Fuelers were frustrated this week by Oakville, again.

Came from behind, took the lead, lost it, tied the score, and then lost all the marbles on a 6-4 score.

Good hockey in between with some exciting pressure by both teams.

Pete Mashinter got the first two goals for the Fuelers. Gary McNiven set him up for the first one and Chris Goodhew pinched in from the blueline to make a pass from behind the net to Pete.

Ryan Taylor had an outstanding game Ryan capped a rush with a hard shot that rebounded to Jamie Briggs and the goalie couldn't stop his shot.

Gary McNiven's goal tied the score as he was able to get a couple of chances and when he has the chances Gary gets the goals.

Frustrating results for coaches Bob Craig and John Andrews because the team has been playing competitive hockey but close doesn't count as much.

The boys are fundraising through the sale of Christmas Cakes and, even though they are going fast, someone from the team will get you one if you know how good they are and want one or two.

Female gladiator

GDHS REBELS senior girls field hockey team goaltender Lisa Rasanen played a strong game in her team's final Halton league encounter against Loyola. Unfortunately for Lisa and her mates, Loyola won the game 1-0, to leave the Rebels with a 2-3 league record, not good enough to make the playoffs. The Rebels won their pool at the Sunnybrook Tournament staged last weekend, chalking up a 3-1-1, won-lost mark. (Herald photo)

fabric forum

Prepared by the International Fabricare Institute (IFI),
the association of professional drycleaners & laundriers

Seeing spots before your eyes?

It is important to take care of a spot on your clothing as soon as possible. There are several things you can do to help your dry-cleaner do a better job of stain removal. Never put away a garment with spills or stains on it. The warmth of a closet as well as exposure to artificial or natural light can help set a stain. Never rub a stain. Blot the soiled area. Inform your

drycleaner of the location of specific stains even if the stains are no longer visible. Stains that appear invisible can "oxidize" and show up later.
