

**CRIME STOPPERS**

Halton Regional Police are seeking two people who stole a new car from a Milton car dealership.

On Thursday, July 6, 1989, at 1:45 a.m., two suspects entered Milton Honda, 310 Steeles Avenue, Milton by kicking in a front window. Once inside, keys for a 1989 red Civic Honda were removed from an office and the

vehicle was driven from the garage.

A short time later the car was discovered by a patrolling officer in the ditch at 5 Sideroad and Guelph Line. An attempt had been made to set the vehicle on fire.

Found at the scene of the entry was a black NORCO bicycle with racing handlebars and racing seat. This bike had a flat tire and

it is believed by investigators that it was left at the dealership by the culprits.

Crime Stoppers will pay up to \$1,000 for information that leads to an arrest in this case or any other case. Callers are not required to reveal their identities or testify in court. The Crime Stoppers toll free number is 1-800-668-5151.

**Before You Buy Your Next Home, Make A Modest Investment, And Get Complete Peace Of Mind.**

Buying a home is probably the biggest investment you will make in a lifetime.

A complete home inspection covers everything from the basement to the roof, including heating, plumbing, wiring, etc. It can save you a lot of grief and thousands of dollars.

A complete written report is included in all inspections. A home inspection can make a difficult decision that much simpler and provide you with expert information that you need immediately.

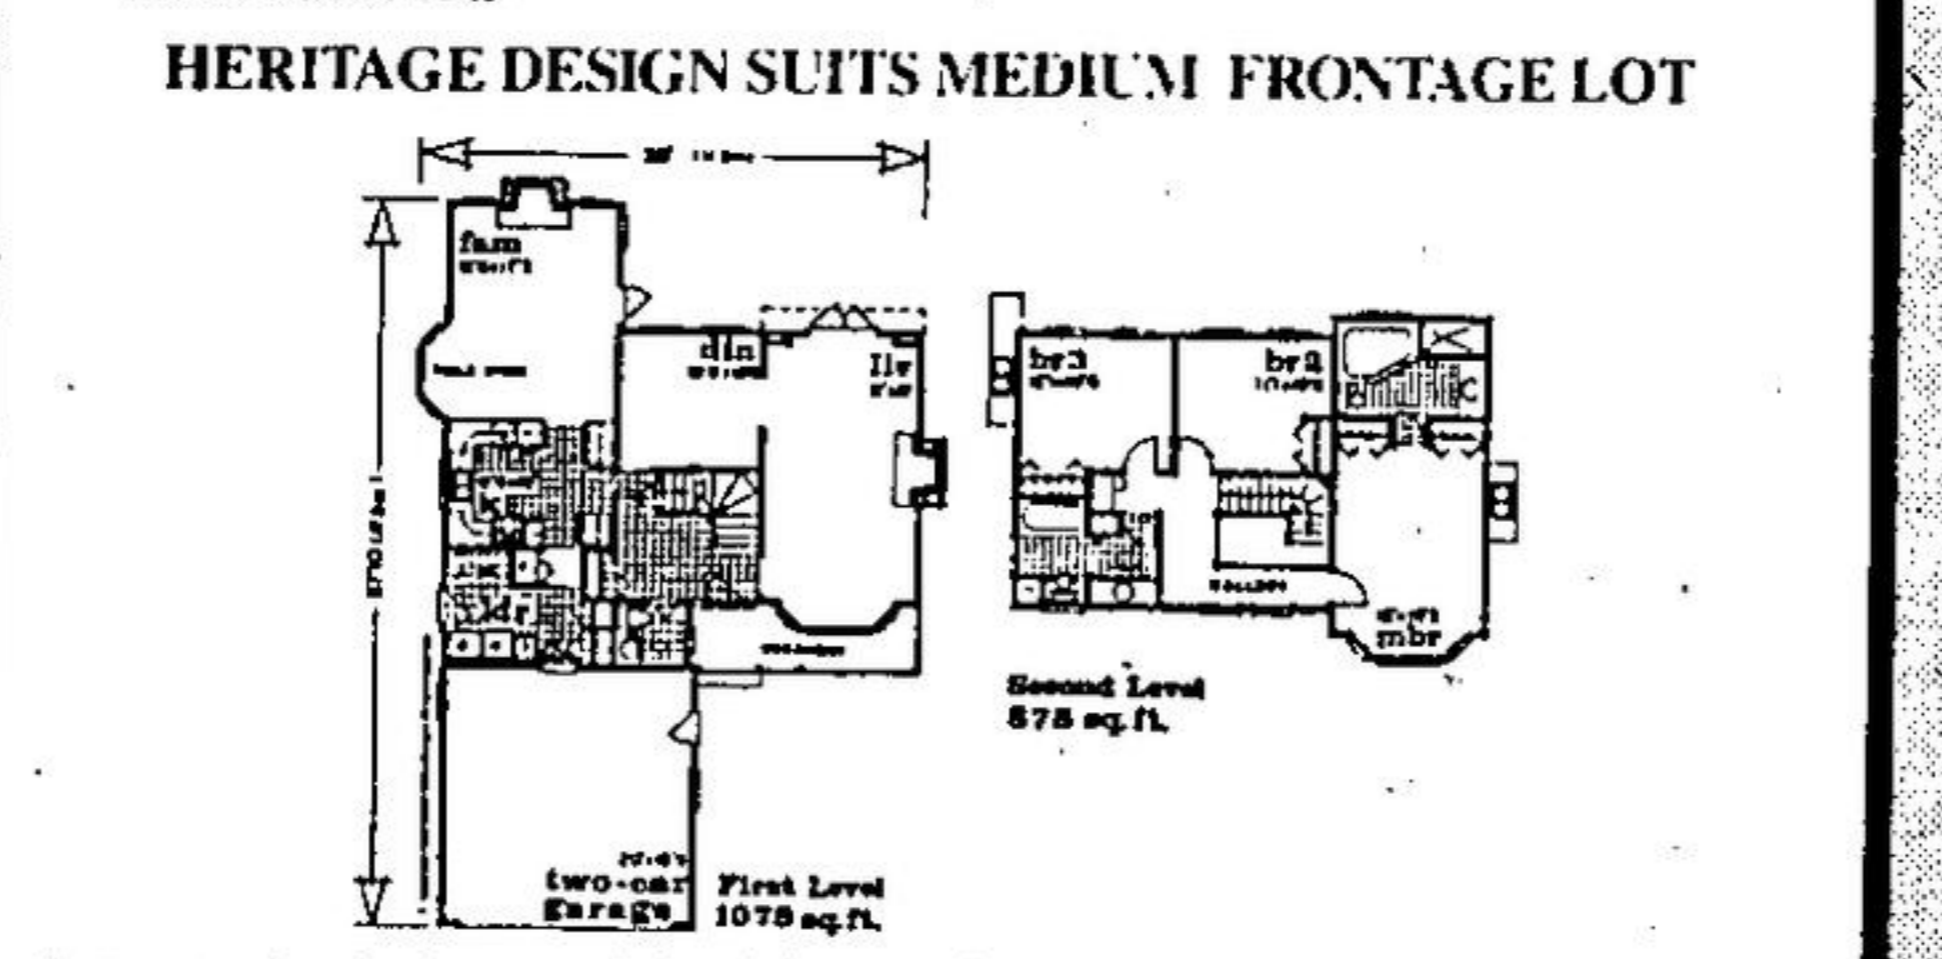

We also offer:

- New Home inspections before closing
- Mediation service between contractors and home owner
- On site management and consulting for legal cases
- Documentation and photographs for legal cases
- Inspection and progress reports on renovation work

Protect your investment... inspect before you purchase!

A covered railed verandah with turned wood spindles, grid windows and dormer provide a nostalgic charm to this three bedroom heritage home. This carefully designed layout, which ideally separates the formal and informal areas of this home, offers luxurious yet functional features within its 1956 square feet of finished floor area.

Located off the impressive two storey foyer is a large living room with masonry fireplace and access to rear patio. Elegant French doors opening to the rear garden invite quiet outdoor relaxation. An adjoining dining room completes the formal entertainment area.

The informal area of the home centres around a country kitchen and adjoining family room. This area offers abundant space for cozy family gatherings. The efficient U-shaped kitchen has a handy pantry, roomy counters and allows the cook to keep an eye on the family room activities. A short direct route connects the kitchen with the sunny breakfast bay and dining room.

The secondary access from the two car garage provides a direct route to the kitchen and saves steps when unloading groceries. The laundry mudroom with sewing counter serves as a catchall for grimy clothes and wet outerwear. The winding stairway leads to a railed gallery overlooking the foyer. The master bedroom features a windowed bay, his and her wall closets and luxurious ensuite with corner whirlpool spa and shower. The two additional bedrooms, each with abundant closet storage, share a main bathroom with tub.

Send for Canada's largest plan book with over 300 designs, only \$9.95, including shipping. To build Plan No. 86-1945, order an 8 set blueprint package for \$395.00, or 5 sets for \$345.00, plus \$14.00 shipping.
