Acton man charged after spree of stolen vehicles

Halton Regional Police laid charges of theft over \$1,000 in connection with a spree of stolen vehicles that started three and half months ago.

A 24-year-old Acton man will appear at a bail hearing Friday, Nov. 3 in connection with the theft charges, and a charge of possession of stolen property.

On July 17, someone stole an \$11,000 van parked on Nelson Crescent in Acton and drove it to Whitby where it was abandoned.

The next theft occurred Sept. 19 when someone stole a \$1,500 Mercury parked in the area of Crescent Street in Acton. The culprit drove the vehicle to Erin Township and left it in a ditch.

Police say someone stole a Halton Hills taxi cab that was left

unlocked and running on Mill Street in Acton Tuesday afternoon. The person drove the vehicle to the area of Sideroad 20 and Town Line where it was abandoned. Police found the vehicle off the roadway smashed up against a hydro pole.

Charges of leaving the keys in the ignition were laid in connection with this particular incident. A 49-year-old Georgetown man was charged with leaving the keys in the car.

Later that afternoon someone stole a Ford van from the area of Sideroad 22 and the Town Line, and drove it to Milton. The car was then abandoned after being involved in a two-car collision.

Police made the arrest Wednesday morning at a Milton area high school.

Tickets are now on sale for Chairman Pete's Grey Cup Gala to be held Friday, Nov. 24 at 8 p.m. at Holy Cross Church in Georgetown.

Although figures for this year's United Way campaign goal are not in yet, president Arlene Bruce said Thursday the canvassers are meeting with success.

"It certainly would appear peo-

ple are understanding all the agencies involved and the broad scope of the United Way."

The United Way will receive donations until mid-November for this year's residential fundraising campaign.

\$500 fire

Halton Hills firefighters had to tear apart a fireplace at a Evans Place residence in Georgetown before they could douse a fire that caused \$500 damage Wednesday night.

The fire broke out when some wood below the fireplace ignited. Fire officials say the fire started because the fireplace was improperly installed. There was too little distance between the fireplace and combustible material, officials say.
